McLaney, Peter Atrill, 2007 The book provides a comprehensive introduction to the main principles of financial accounting management accounting and the core elements of financial management With a focus on how accounting information can be used to improve the quality of decision making by managers **Management Accounting for Decision Makers** Peter Atrill, 2009 This introductory text covers the basic principles and underlying concepts with a strong practical emphasis and plenty of examples taken from the real world as well as numerical examples with step by step explanations Accounting Edward J. McLaney, Eddie McLaney, 2009-09 Designed to help you study Accounting An Introduction 4th edition is praised for its clear accessible and uncluttered style It provides a comprehensive introduction to the main principles of financial accounting management accounting and the core elements of financial management It has a clear and unequivocal focus on how accounting information can be used to improve the quality of decision making by managers This combined with the book s strong practical emphasis provides you with the perfect grounding for your future career as a manager Study Guide to Managerial Ch 12-25 Brubeck, Charles T. Horngren, 2007-04-03 *Principles of Accounting* Meg Pollard, Sherry K. Mills, Walter T. Harrison, 2007 The Demo Docs System of instruction replicates the classroom experience by providing more I get it moments outside of class We ve talked to tons of POA instructors and our editors have even taken the accounting course numerous times to figure out the following issue in this course that is consistent Students understand or get it right after you do a problem in class but as soon as they leave class with each passing hour their ability to do the problems again and complete their homework diminishes to the point of them either having to come to office hours to get help or they just quit and get behind in the course On top of this you can end up getting behind in the course as well in order to keep everyone on track The Demo Docs system helps to recreate the I get it moments outside of class keeping both you and the students on track *Accounting and Finance for Non-specialists* Peter Atrill, E. J. McLaney, 2008 Now in its sixth edition this successful text introduces the basic principles and underlying concepts of accounting and finance It adopts a practical non technical approach making it the ideal text for students from non accounting disciplines The text is written from a user perspective demonstrating ways in which accounting statements and financial information can be used to improve the quality of decision making **Financial Accounting for Decision Makers with MyAccountingLab Access Card** Peter Atrill, Eddie McLaney, 2013 This package includes a physical copy of Financial Accounting for Decision Makers 7e by Atrill as well as access to the eText and MyAccountingLab Financial Accounting for Decision Makers provides a comprehensive and accessible introduction to the subject focusing on the ways in which financial statements and information can be used to improve the quality of decision making By introducing topics gradually and explaining technical terminology in a clear friendly style the authors cater both for accounting students and for those studying entry level accounting within another field The practical emphasis throughout the book ensures that the
