*The Hall of Ettin Terror: For Myfarog* Edward G. Worrell,2019-03-19 Myth module E2 The Hall of Ettin Terror is an Adventure Module for MYFAROG by Varg Vikernes The Hall of Ettin Terror is a Myth Module for Mythic Fantasy Role Playing Game The Hall of Ettin Terror is a Myth Module for Mythic Fantasy Role Playing Game This Myth encourages the player characters to participate in a High Festival which is one of the uniquely pro European Pagan elements that separates MYFAROG from other traditional paper pencil dice RPG games This Myth Module begins in the village of Spirit Cove in Erulia on the day of the Summer Solstice High Festival and the birthdays of the deities FrauJ n and SuwilaR During the entirety of the High Festival many of the local Maenads play key roles in the rituals in particular the youngest Maenad whose name is Erika If one of the players wishes he could play this Myth as Erika the Maenad In such a scenario it would be a good for the player to have good knowledge of the proceedings of the Summer Solstice these can be found in the High Festivals section of the MYFAROG rulebook After taking the part in the High Festival the Adventure Party hereby just abbreviated to AP are asked to investigate the killing of a rural scout in a hillside village to the south called Lindon Rumours of dreaded Ettin Phenomena bring fear to the hearts of the locals as the second rural scout who barely survived brings home news of the alien creatures There is a farm to the south of Spirit Cove which should provide a good starting point for investigation Aside from the Random Encounters in The Land of Thul that the AP may face as they travel they may run into Gardeners and Khemetian Merchants who may change the course of destiny of this Myth in vastly different ways Time is also of the essence thus if the AP loiter for too long whilst carrying out errands and tasks irreversible consequences may be brought forth later on The village of Lindon has been wrought with strife and trouble ever since the Golden Hall of the May King was become a Hall of Terror Outsiders have come from afar to offer their sword arm but do they have their own agenda Will the AP realise that to cleanse the land of its alien problem they must find its source The AP may also encounter a variety of characters ranging

from the benevolent noble and righteous to the evil ignoble and deceitful all with their own stories and intentions I recommend this Myth to be played by level 1 or 2 player characters When I first ran a section of this Myth with some friends all of the characters shared a family bond there was a father figure and his two sons and an older brother of the father a Bard of HadnuR which was particularly well interpreted by Charles Dickson and the role playing aspect between the players due to their characters family bond was particularly good and I have noticed the same thing in other games of MYFAROG Of course this is in no way to say that adventures who are strangers cannot form an excellent bond Related player characters are allowed to choose a talent of their choice during character creation As a final note the Myth Master is free to change any part of this Myth that he sees fit Thul is a fantasy world and as such no characters or organisations are based on real life ones Fans of Beowulf and the Sellic Spell by J R R Tolkien should hopefully see some parallels in this Myth Have fun and good gaming Edward G Worrell
