# New Testament Fundamentals

**Joseph Henry Skewes**

## **New Testament Fundamentals:**

New Testament Fundamentals Stevan L. Davies, 1994 A clear and exceptional introduction that will guide any student or reader easily through the complexities of the New Testament. This accessible widely used volume presents the materials in historical order with emphasis on the different types of documents ideas and presentations. Complete with map charts tables suggested exercises and additional reading

Fundamentals of New Testament Greek Stanley E. Porter, Jeffrey T. Reed, Matthew Brook O'Donnell, 2010-09-03 This first year Greek textbook discusses all the forms and basic syntax of Koine Greek complete with extensive paradigms examples and explanations from publisher description

**New Testament Basics** Stefan Alkier, David M. Moffitt, 2022-10-11 New Testament Basics introduces college university seminary and divinity school students to the study of the New Testament. Authors Stefan Alkier and David M. Moffitt adopt five major aims: i to explore how the Bible came to exist dealing with the formation and significance of the Christian canon; ii to discuss the ways the Bible continues to exert influence on contemporary culture demonstrating the ongoing value and importance of biblical literacy; iii to introduce readers to some of the most fundamental methods used in the study of the New Testament including a substantial discussion of semiotics and its usefulness for New Testament interpretation; iv to provide a survey of central historical, social and economic information as important contextual knowledge for interpreting the New Testament; and v to offer some brief discussion of the contents of several New Testament texts and consider ways they might inform theological reflection. In the end, Alkier and Moffitt's New Testament Basics fosters within students important competencies needed to read and interpret the New Testament for themselves

**New Testament Basics for Catholics** John Bergsma, 2015-10-02 Award-winning author and theology professor John Bergsma follows up his popular Bible Basics for Catholics, which has sold more than 60 000 copies, with a more in-depth look at the New Testament. Using simple illustrations and the same clear conversational style that characterized his earlier book, Bergsma introduces four of the most important writers in the New Testament: Matthew, Luke, Paul, and John. With humor and simple illustrations, theology professor John Bergsma focuses on Matthew, Luke, Paul, and John, whose writings comprise about 90 percent of the New Testament. The gospel of Matthew, written for Jewish Christians, illuminates the life and teachings of Christ as the long-promised Messiah. In Luke's gospel, readers will delve into the infancy and Triduum narratives as well as the Acts of the Apostles and the life of the early Church. This leads the reader to discover St. Paul and his first and arguably greatest theological treatise, Romans. Finally, the beloved apostle St. John draws us in to the unsurpassed beauty of the fourth gospel as well as the most mysterious book of the New Testament, the book of Revelation. A concluding chapter offers suggestions for further study. Intended as an introductory work for those who are new to scripture study, New Testament Basics for Catholics does not aspire to be a comprehensive guide to all twenty-seven books of the New Testament, but is intended to lay the foundation for a lifetime of scripture reading.

*Essentials of New Testament Study* William Edensor Littlewood, 1872

Outline of the Fundamental Doctrines of the

Bible David Allen Reed,1893    *Essentials of New Testament Study: Intended as a Companion to the New Testament ...*
