## Next Year In Jerusalem:

Next Year in Jerusalem Walter K. Price,1975      **Next Year in Jerusalem** Jérôme Tharaud,Jean Tharaud,1925      **This Year in Jerusalem** Joel Gross,1984      Unwitting Zionists Haya Gavish,2010 Unwitting Zionists examines the Jewish community in the northern Kurdistan town of Zakho from the end of the Ottoman period until the disappearance of the community through aliyah by 1951 Because of its remote location Zakho was far removed from the influence of the Jewish religious leadership in Iraq and preserved many of its religious traditions independently becoming the most important Jewish community in the region and known as Jerusalem of Kurdistan Author Haya Gavish argues therefore that when the community was exposed to Zionism it began to open up to external influences and activity Originally published in Hebrew Unwitting Zionists uses personal memoirs historical records and interviews to investigate the duality between Jewish tradition and Zionism among Zakho s Jews Gavish consults a variety of sources to examine the changes undergone by the Jewish community as a result of its religious affiliation with Eretz Israel its exposure to Zionist efforts and its eventual immigration to Israel Because relatively little written documentation about Zakho exists Gavish relies heavily on folkloristic sources like personal recollections and traditional stories including extensive material from her own fieldwork with an economically and demographically diverse group of men and women from Zakho She analyzes this firsthand information within a historical framework to reconstruct a communal reality and lifestyle that was virtually unknown to anyone outside of the community Appendixes contain biographical details of the interviewees for additional background Gavish also addresses the relative merits of personal memoirs optimal interviewer interviewee relationships and the problem of relying on the interviewees memories in her study Folklore oral history anthropology and Israeli studies scholars as well as anyone wanting to learn more about religion community and nationality in the Middle East will appreciate Unwitting Zionists      *Emet le-Ya'akov* Zev Eleff,Shaul Seidler-Feller,2023-11-21 *Emet le Ya'akov* comprises a collection of essays celebrating the career and achievements of Rabbi Dr Jacob J Schacter who has served the American and international Jewish community with distinction in his roles as a synagogue rabbi university professor and public intellectual These articles like the honoree recognize the importance of both history and memory emphasize the necessity of accuracy in historiography and do not shy away from inconvenient truths They are divided into three categories that help frame the discussion around facing the truths of history Textual Traditions Memory and Making of Meaning and Re Creating a Usable Past The volume also includes a brief sketch of Schacter s life and work and a bibliography of his publications      **Israel among the nations, a study of the Jews and antisemitism, tr. by F. Minna Rozen, 2008-10-30 The Greek and Jewish diasporas are the most significant diasporas of Western civilisation  
*Homelands and Diasporas* is the first book to explore the similarities and differences between these two experiences. In the process it sheds fascinating light on their fundamental importance for both Greek and Jewish societies. The authors examine Greek and Jewish diasporas throughout history from classical and Biblical times to the present and all over the world in Greece, the Balkans, Turkey, Russia, the Near and Middle East, Spain and the US. They analyse the very nature of diaspora, examining both the Greek concept of noble expansion and the Jewish idea of enforced exile and analyse community structures as well as social and religious networks combining Scriptural analysis with cultural and political history. Diaspora is a difficult and emotive concept but *Homelands and Diasporas* offers a balanced and perceptive guide to the connected histories of these two peoples away from their homelands
