Nice Case Jesus Biblical Historical Evidence:

The Historical Evidences of the Truth of the Scripture Records George Rawlinson, 1886 **The Christian Evidence Society's Lectures** Christian Evidence Society (LONDON), 1873 *Introducing Apologetics* James E. Taylor, 2006-03-01 Questions about the truthfulness of Christianity deserve thoughtful balanced and reasonable answers James Taylor provides a fresh comprehensive survey of the many methods of Christian apologetics using a unique whole person approach He addresses core apologetics issues facing Christians in the twenty first century including the evidence for God's existence the challenge of evil the uniqueness of Jesus Christ world religions and more This accessible text now in paper will appeal to students and all who wrestle with intellectual obstacles to faith Each chapter contains an outline summary list of basic terms reflection and discussion questions and guide to further reading Chapter overviews and sidebars enhance the text *Behold the Man* Peter S. Williams, 2024-06-18 After a substantial new essay examining the nature of a properly skeptical historical inquiry into Jesus of Nazareth in the context of contemporary worldviews from pre modernism to meta modernism Behold the Man presents revised essays on an eclectic range of issues from how the Epistle of James treats Jesus as Divine within decades of the crucifixion and an evaluation of recent arguments about the dating of the Fourth Gospel to debunking claims about Jesus and ancient aliens and furthering debate about the resurrection With a foreword by eminent New Testament scholar Craig L Blomberg and extensive recommended resources Behold the Man Essays on the Historical Jesus represents a wide ranging interdisciplinary engagement with historical Jesus studies **Stepping Stones to Christianity** Peter S. Williams, 2025-10-17 Stepping Stones to Christianity introduces a rational case for Christianity in three steps starting with scientific arguments for design in cosmology and biology moving on to philosophical arguments for the existence of God and closing with an overview of the evidence for a Christian understanding of the historical Jesus in the context of competing contemporary worldviews By bringing together revised and expanded versions of materials written to introduce three of the author's Essays on books with Wipf Stock Stepping Stones to Christianity equips readers to consider the case for design in nature to investigate philosophical arguments for God and to wrestle with the identity of Jesus **Popular Objections to Revealed Truth**, 1873 **Getting at Jesus** Peter S. Williams, 2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus **The People's Bible History Prepared in the Light of Recent Investigations by Some of the Foremost Thinkers in Europe & America...** George Claude Lorimer, 1896 **Public Opinion**, 1895 **Dr. William Smith's Dictionary of the Bible** William Smith, 1888 **Calvinism popularised** Harry Alfred Long, 1895 *The Cyclopaedia of Biblical Literature* John Kitto, 1881 **First Things**, 1992

Synthetic Bible Studies James Martin Gray,1900 **The Index ... A Weekly Paper** ,1870 **The Jewish herald and record of Christian effort for the spiritual good of God's ancient people [afterw.] The Jewish missionary herald and record of the British society for the propagation of the gospel among the Jews [afterw.] The Herald International society for the evangelization of the Jews,1870 **A Religious Encyclopaedia Or Dictionary of Biblical, Historical, Doctrinal, and Practical Theology** Johann Jakob Herzog,1883 *Evidence that Demands a Verdict* Josh McDowell,McDowell, Colin C C,1992-09 This text provides scholarly intelligent well grounded answers to questions about the Christian faith McDowell's conclusions are backed by solid evidence that will satisfy those who are willing to honestly consider the Bible's claims **The Origin and Development of Christian Dogma** Charles A. H. Tuthill,1888 [The Case for Jesus](#) Brant Pitre,2016-02-02 This book will prove to be a most effective weapon against the debunking and skeptical attitudes toward the Gospels that are so prevalent not only in academe but also on the street among young people who sadly are leaving the Churches in droves Robert Barron author of Catholicism For well over a hundred years now many scholars have questioned the historical truth of the Gospels claiming that they were originally anonymous Others have even argued that Jesus of Nazareth did not think he was God and never claimed to be divine In The Case for Jesus Dr Brant Pitre the bestselling author of Jesus and the Jewish Roots of the Eucharist goes back to the sources the biblical and historical evidence for Christ in order to answer several key questions including Were the four Gospels really anonymous Are the Gospels folklore Or are they biographies Were the four Gospels written too late to be reliable What about the so called Lost Gospels such as Q and the Gospel of Thomas Did Jesus claim to be God Is Jesus divine in all four Gospels Or only in John Did Jesus fulfill the Jewish prophecies of the Messiah Why was Jesus crucified What is the evidence for the Resurrection As The Case for Jesus will show recent discoveries in New Testament scholarship as well as neglected evidence from ancient manuscripts and the early church fathers together have the potential to pull the rug out from under a century of skepticism toward the traditional Gospels Above all Pitre shows how the divine claims of Jesus of Nazareth can only be understood by putting them in their ancient Jewish context**
