The Emmaus Code David Limbaugh, 2015-11-09 A New York Times Bestseller In the 2014 New York Times bestseller Jesus on Trial David Limbaugh made a case for the Gospels as hard evidence of the existence of God drawing on his own spiritual journey from skeptic to believer Now in The Emmaus Code Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ s arrival through all thirty nine Old Testament books The key to the secrets of the Old Testament Limbaugh argues is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus With that key and with Limbaugh as a deft guide readers of The Emmaus Code will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ s arrival Limbaugh takes readers on a revealing journey from Genesis through Malachi demonstrating that a consistent message courses through every one of the Old Testament s thirty nine books the power wonder and everlasting love of Jesus Christ

The Undercover Messiah and His Coming Kingdom Jim R. Sibley, 2025-01-21 What a profound mystery An undercover Messiah While an undercover agent may assume a deceptive identity an undercover boss assumes an identity that is merely unrecognized The concept of an undercover Messiah suggests that he assumed a role that was largely unanticipated though it was prophesied centuries earlier in Israel s Scriptures Messiah was to come as the Prophet like Moses the Priest like Melchizedek and the King like David Yet in his role as the Prophet he went largely unrecognized in his day and today Changing water to wine may seem undramatic but Moses s first miracle in Egypt was changing water to blood symbolizing judgment and death Jesus changed water to wine symbolizing the joy of redemption With this Jesus presented his calling card After his resurrection when Jesus encountered his confused and disheartened disciples he began with Moses This book unpacks Jesus as Prophet Priest and King and the kingdom he will establish as the future inheritance of believers With insights drawn from the latest scholarly research it offers relevant life changing wisdom for these turbulent times

The Revelation of Jesus Christ Jon Scott Birch, 2022-09-21 The testimony of Jesus is the spirit of prophecy Rev 19 10 and a prophetic perspective promotes purpose Yet in a world swiftly growing callous true purpose and meaning are fading Many of Jesus disciples today have lost their first love which is Jesus himself Rev 2 4 And too many souls overall miss the wonder inspiration and comfort gained by those who would endeavor toward fuller comprehension of the book of Revelation Blessed are they who read and those who hear the words of this prophecy and keep those things which are written in it for the time is near Rev 1 3 Neglect of the Holy Spirit slothfulness fear and the ongoing confusion generated by competing interpretations and bad theology are the primary obstacles between an individual and the liberation to be had by reading the last book of the

Bible We must not forget that while the apostle John wrote the book of Revelation its author is Jesus Christ and he is not an author of confusion but of peace 1 Cor 14 33 This commentary presents a practical discipleship based perspective toward following Jesus into the very heart of his Revelation So as the end of this clamorous age approaches may we truly hear what the Spirit is saying to the churches

The Twelve Pillars of Unbelief Douglas Olsen, 2023-02-22 The Twelve Pillars of Unbelief Why the Arguments for Atheism Don't Work and Why the Ones for Christianity Do By Douglas Olsen About the Book This book summarizes the reasons atheism is logically faulty from a Christian perspective The author incorporates his own examples insights and humor According to the author we are living in an increasingly secular society and there have been best selling books by the so called New Atheists which need to be put in their place with a fresh approach to the beliefs of Christianity This book is different from other books attacking atheism in the inclusion of a chapter on heaven and hell with a nontraditional but Biblical view of hell and a section on evolution Intelligent Design and creationism I hope the reader who is more likely to be Christian rather than atheist will be armed with arguments against atheism as well as thoughtful ideas about Christianity Maybe some agnostics or seekers will find truth in it

The Tablet, 1887 *Finding Jesus in the Old Testament* David Limbaugh, 2015-11-09 A New York Times Bestseller In Finding Jesus in the Old Testament David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ's arrival through all thirty nine Old Testament books The key to the secrets of the Old Testament Limbaugh argues is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus With that key and with Limbaugh as a deft guide readers of Finding Jesus in the Old Testament will come to a startling new

understanding of the Old Testament as a clear and powerful heralding of Jesus Christ's arrival Limbaugh takes readers on a revealing journey from Genesis through Malachi demonstrating that a consistent message courses through every one of the Old Testament's thirty nine books the power wonder and everlasting love of Jesus Christ Previously published under the title The Emmaus Code Man, Myth, Messiah Rice Brooks, 2016-03-01 Did Jesus Really Exist The search for the historical Jesus continues to be headline news Any speculative theory seems to get instant attention as the debate rages about His real identity and the claims made in His name Did Jesus really exist Is there real historical evidence that demonstrates that He lived and actually said and did the things the Gospels record Is there any validity to the speculative claims that the Jesus story was a myth borrowed from a variety of pagan cultures of the ancient world In this follow up to the book *God's Not Dead* that inspired the movie *Man Myth Messiah* looks at the evidence for the historical Jesus and exposes the notions of skeptics that Jesus was a contrived figure of ancient mythology It also looks at the reliability of the Gospel records as well as the evidence for the resurrection that validates His identity as the promised Messiah *Man Myth Messiah* will be released concurrent to the *God's Not Dead* movie sequel which will cover the same theme **Why Did Yahweh and His Son**

Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today's Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions
