## Nice Hold Me Close Megan Hart:

*Hold Me Close* Megan Hart, 2021-02-22 Apart they are broken but together they are whole Effie and Heath are famous Not for anything they did but for what happened to them as teenagers Abducted and abused by the same man they turned to each other for comfort until they were finally able to make their escape Now adults their relationship is fraught with guilt and despair Whether fighting or making love their passion is strong enough to destroy them both and Effie s not about to let that happen She knows it s time for her to have a normal relationship even if Heath is convinced that they must face their past together in order to move forward So while Effie continues to bring new men into her life Heath becomes obsessed with proving he s the one she needs Then a new crisis arises and Effie begins to lose every scrap of self control she ever had As she struggles against her desire to return to the one man who understands her she discovers that sometimes the only safety
