My Magic Carpet Of Films:

My Magic Carpet of Films Dennis "Micky" Moore, Michael Moore, 2009-04 From his introduction A ride on a magic carpet is a wonderful thing It allows you to see the past the present and takes you into the future It can give you new perspectives offer up lessons and provide you with wild adventures A magic carpet can give you a passport to almost anywhere and so it is with my magic carpet of films My journey started when I was eighteen months old in 1916 and continues right up into the 21st Century It has made it possible for me to meet and work with people from all walks of the motion picture industry It has taken me to many wonderful places around the globe It has provided me with a career that extends from the silent days of films called flicks to the present era of blockbusters and high tech special effects movies During this time I have seen the silent films become talkies and talkies give way to surround sound I have seen picture shows go from black and white to color from ten minute one reelers to three hour epics I have seen film change from celluloid to digital and cameras go from hand cranked to computerized I have seen movies presented on a single screen enhanced by organ music give way to multiplexes and home theaters with THX I have seen movies stars careers rise and fall and the emphasis on celebrities in our culture I have seen directors become as famous as their leading actors I have seen the cost of a movie ticket go from 5 cents to over 10 and box office grosses now reported in the news along with the weather report A lot has changed in the motion picture industry during my lifetime good and bad but one thing remained constant my love of what I have done Perhaps it was my destiny a combination of fate and timing an early start in the business and my adventurous attitude that gave me an opportunity to work with some of the most talented individuals in the business and kept me an active part of the industry for so many years But how do I share with you my story that spans nine decades Perhaps to keep things in perspective let's go back in time on my magic carpet to the beginning *Captioned Films for the Deaf* United States.
