Your cosmic DNA is written in the skies and when you explore the celestial threads that weave together your unique tapestry, you discover a map to your greatest potential in this lifetime. Written by popular astrologer and depth psychologist Jennifer Freed PhD, *Use Your Planets Wisely* is an innovative and transformative guide to personal evolution through astrology. First, an insightful integration of astrology and psychology helps us identify the primitive adaptive and evolving expressions of the star signs within our charts. Then, through reflection questions and activities, we learn to celebrate the places we already shine and grow into our potential to thrive and serve where we've been stuck. This book is your invitation to embark on a journey to greater connection, joy, and purpose with the archetypal guidance of the stars.
