My Second Stupid Suicide:

Damn Slavers! Robert James Warner, 2006-09 The History of the Sea Lake and River Battles of the Civil War is an expose a denunciation a condemnation of the lies the distortions the deceits the misrepresentations and the slanders of the biased civil war historians the biased movie makers and the biased makers of TV Specials who write distorted books distorted movies and make distorted TV Specials about the civil war For example President Grant is slandered as the butcher of the civil war when the real butcher is the traitor Robert E Lee by an actual count of the men he killed in the battles he fought Another example is the big lie that the Monitor and Merrimac battle was a draw when it was a clear cut victory for the Monitor There are two classes of people in The Damn Slavers The people in the 22 Loyal states and in the 11 traitor states the Loyalists the victims and the people in the 11 traitor states and in the 22 Loyal states the traitors the villains One of the biggest vile lies of the civil war is the depraved lie the traitors won most of the battles The author counted hundreds of the bigger land battles and the sea lake and river battles This battle count is what Damn Slavers is all about Surprise Surprise The Loyalists won most of the bigger land battles of the civil war by a ratio of about 2 to 1 from the start of the civil war and won most of the sea lake and river battles too by an overwhelming margin If you want to learn some real truths about the civil war read Damn Slavers A History of the Sea Lake and River Battles of the Civil War The Luna's Second Chance Mate Tessa Lake, 2025-11-22 They survived the prophecy But the real war is just beginning Luna Grace Shadow Ridge isn't a normal child At eighteen months old she can shatter mirrors with a glance Make flowers bloom with a touch And speak directly into her parents minds without saying a word Sophie thought losing her Catalyst powers would keep her daughter safe She was wrong Because something ancient has awakened Something that's been waiting centuries for a child like Luna to be born The Wolf Lords are coming And they want Sophie's daughter The Wolf Lords were a myth A legend whispered around campfires Alphas more powerful than any werewolf alive Beings who ruled before packs existed Before the mate bond Before the moon goddess herself They were supposed to be extinct Destroyed in the Great Purge a thousand years ago But Elder Sarah lied The Wolf Lords survived And now they've returned with an army of shadow wolves ancient magic and one singular purpose take Luna Grace and complete the true prophecy The prophecy Sophie's twin brother died trying to erase The prophecy that was never really gone just sleeping Your daughter will unite the wolves or she'll destroy them all There is no third option Sophie is powerless Just a regular wolf trying to protect a daughter she can barely control Alex is an Alpha watching his pack prepare for a war they can't win And Luna Luna is growing faster than any child should Learning faster Becoming something neither human nor wolf nor Catalyst She's becoming what the Wolf Lords have waited a millennium to find The True Heir But Sophie isn't the broken girl from Crimson River anymore She survived Marcus Survived Kyle Survived her own parents trying to kill her She destroyed the Collector Faced the Council Gave birth on a battlefield And she'll be damned if some ancient Wolf Lords think they can take her daughter Even if it means learning magic she was never supposed

to touch Even if it means making deals with enemies Even if it means becoming the very monster everyone always feared she d be Blood will be spilled Alliances will shatter And the mate bond itself will be tested Because the Wolf Lords don t just want Luna They want Sophie too The powerless Luna who should have died a dozen times Who survived when no Catalyst ever has Who birthed a child strong enough to reshape reality They need her blood to complete the ritual And they ll tear through Shadow Ridge to get it Raw Brutal Unforgettable The explosive third book in the Werewolf Shadow Ridge series delivers everything fans have been craving Ancient wolf magic and forbidden incantations Brutal fighting scenes that will leave you breathless A mother s desperate love against impossible odds The Wolf Lords villains more terrifying than anything that came before Luna s emerging powers and the cost of being special Mate bond tested to the breaking point Shocking betrayals from inside the pack A cliffhanger ending that will destroy you Perfect for fans of Rejected mate redemption Powerful alphas who d burn the world for their Luna Secret baby powerful heir tropes Pack politics and warfare Ancient magic meets modern wolves Mothers who become warriors Found family worth dying for I m not the rejected mate I m not the powerless mother I m Sophie Shadow Ridge And I will end anyone who touches my daughter The prophecy was never destroyed It was only waiting And now the real war begins Scroll up and one click to continue the Shadow Ridge saga But be warned this book ends on a cliffhanger that will leave you desperate for Book 4 **The Sword and the Cross** Fergus

Fleming,2007-12-01 A searing story of France s attempt to colonize the vast Sahara desert and of two unforgettable men who dedicated their lives to the effort Rob Mitchell The Boston Herald Whether writing of the Alps the high seas or the North Pole Fergus Fleming has won acclaim as one of today s most vivid and engaging historians of adventure and exploration The Sword and the Cross takes us to the Sahara at the end of the nineteenth century when France had designs on a hostile wilderness dominated by deadly Tuareg nomads Two fanatical adventurers Charles de Foucauld and Henri Laperrine rose to the cause of their country s national honor Abandoning his decadent lifestyle as a sensualist and womanizer Foucauld founded a monastic order so severe that during his lifetime it never had a membership of more than one Yet he remained a committed imperialist and from his remote hermitage continued to assist the military The stern career soldier Laperrine meanwhile founded a camel corps whose exploits became legendary During World War I the Sahara s fragile peace crumbled In the desert mountains Foucauld paid a tragic price for his role as imperial pawn Laperrine by then recalled to the Western Front returned to avenge his friend Fleming captures the hopelessness of the French efforts to conquer the Saharan expanse Provides a vital lesson about the limits of power Zachary Karabell Los Angeles Times *The Phantom Death* William Clark Russell,1895 **Vale** Adrian H. Plachno,2015-05-02 This book is a humor book intended to make you smile It is set an undisclosed distance in the future in the USA in order to try and not conflict with any political parties or people or issues of today In this future USA the political

parties are now the Bulls and the Bears And for the sake of humor they are even more extreme than today and to say the least do not get along But fortunately the rules for becoming a US president are now easier A very nice man and his family had just emigrated to the US from Asia India in particular and this nice man and his family wish to help out their new country the US And so Rajak Gandhi Patel the 35th manages to become president But can he deal with the craziness he sees Is the family really prepared for what they find Will anyone help him I realize that a person could ask me the author if I have any political bent in this book And that answer would be no I do not belong to any political party I do not even go to all birthday parties that I am invited to And more to the point I made both parties so extreme that I certainly would not want to belong to either of these parties and my guess is that the reader will feel the same way But that is getting too serious The purpose of this book is simply humor And my goal is to make you smile If this book has any point at all other than humor it might be the good that just a few good people can accomplish and that people accomplish more when they work together Other than that it is all in fun I truly hope others will enjoy reading this book as much as I enjoyed writing it Ron Plachno author Within The Portal Scott A Spackey,2023-06-12 Krishnanand catapulted to the other side when he was hit in the face by a full size SUV While he remained in a Stage 3 Glasgow coma for nine days he remained fully conscious in a celestial dimension he now calls The Portal what Tibetan Buddhists call The Bardo and what Vedic Sanskrit philosophy calls The Akashic Records He awoke without an identity having no recall of his name his partner of 11 years or his 20 year old son Krishnanand s traumatic brain injury and near death experience persisted for over nine years The only thing that sustained him was his ability to connect at will to The Portal dimension where he receives guidance from akashic agents angels of destiny Readers will viscerally travel to the other side with him and learn how his lifelong commitment to spiritual studies and practices enhanced his NDE with unprecedented insights This groundbreaking memoir fuses this world s most ancient and authentic spiritual paths with a contemporary understanding It is a portal to spiritual awareness that transcends religion yet remains devoted to the Eternal Truths of all spiritual paths You will see how to apply Eternal Truths of spirituality into worldly life in order to progress on the Soul s Journey toward Divine Love Consciousness Within the Portal is two works within one As a near death experience memoir it is a factual account of verifiable and documented supernatural events a unique and unprecedented NDE Krishnanand experiences a string of pearls miracles over nine years To tell his story he needed to explain how these events fit into the eternal truths of our world s religions and spiritual paths He was able to do this like few others because of his lifelong dedication of spiritual study and practice since his youth well before his NDE event So many souls are seeking light and truth during their own Dark Night of the Soul Within the Portal provides answers and instructions to begin to progress and to complete the Soul s Journey to ultimate Spiritual Realization The final goal of full and total Spiritual Realization is to transcend the realm of matter and complete the Soul s Journey to coexist with Divine Love Consciousness for eternity This goal is what every religion spiritual path and history s spiritual masters have been teaching since time
