My Share of the Task General Stanley McChrystal, 2013-01-07 General McChrystal is a legendary warrior with a fine eye for enduring lessons about leadership courage and consequence Tom Brokaw General Stanley McChrystal is widely admired for his hunger to know the truth his courage to find it and his humility to listen to those around him Even as the commanding officer of all U S and coalition forces in Afghanistan he stationed himself forward and frequently went on patrols with his troops to experience their challenges firsthand In this illuminating New York Times bestseller McChrystal frankly explores the major episodes and controversies of his career He describes the many outstanding leaders he served with and the handful of bad leaders he learned not to emulate And he paints a vivid portrait of how the military establishment turned itself in one generation into the adaptive resilient force that would soon be tested in Iraq Afghanistan and the wider War on Terror A compelling account of his impressive career The Wall Street Journal This is a brilliant book about leadership wrapped inside a fascinating personal narrative Walter Isaacson author of Steve Jobs Stanley McChrystal retired in July 2010 as a four star general in the U S Army His last assignment was as the commander of the International Security Assistance Force and as the commander of U S forces in Afghanistan He is currently a senior fellow at Yale University s Jackson Institute for Global Affairs and cofounder of the McChrystal Group a leadership consulting firm He and his wife Annie live in Virginia **Our**

The Fort Bragg Cartel Seth Harp, 2025-08-12 INSTANT NEW YORK TIMES BESTSELLER One of The New Yorker s Best Books of 2025 Probably the most gripping memorable eye opening book I ve read in months David Wallace Wells The New York Times Propulsive The Washington Post Engrossing Truly shocking The New Republic The Fort Bragg Cartel opens like a nonfiction thriller and never lets up A page turning investigation into the dark side of our forever wars Steve Coll Pulitzer Prize winning author of Ghost Wars and Directorate S A groundbreaking investigation into a string of unsolved murders at America s premier special operations base and what the crimes reveal about drug trafficking and impunity among elite soldiers in today s military In December 2020 a deer hunter discovered two dead bodies that had been riddled with bullets and dumped in a forested corner of Fort Bragg North Carolina One of the dead men Master Sergeant William Billy Lavigne was a member of Delta Force the most secretive black ops unit in the military A deeply traumatized veteran of America s classified assassination program Lavigne had done more than a dozen deployments in his lengthy career was addicted to crack cocaine dealt drugs on base and had committed a series of violent crimes before he was mysteriously killed The other victim Chief Warrant Officer Timothy Dumas was a quartermaster attached to the Special Forces who used his proximity to clandestine missions to steal guns and traffic drugs into the United States from abroad and had written a blackmail letter

threatening to expose criminality in the special operations task force in Afghanistan As soon as Seth Harp an Iraq war veteran and investigative reporter begins looking into the double murder he learns that there have been many more unexplained deaths at Fort Bragg recently other murders connected to drug trafficking in elite units and dozens of fatal overdoses Drawing on declassified documents trial transcripts police records and hundreds of interviews Harp tells a scathing story of narco trafficking in the Special Forces drug conspiracies abetted by corrupt police blatant military cover ups American complicity in the Afghan heroin trade and the pernicious consequences of continuous war *Memoirs of the Life and Writings of W.
