As you learn the steps taught in this book and understand them and begin to practice them your prayer life can never be the same You will experience more power and a passion to pray A desire to praise God will be ignited in you From Praise to Petition Experiencing the Power and Passion of Prayer is a book for all believers who want to remain engaged with the Spirit of God in their time of prayer Prayer has a new name Charles Goah      **700 Prayers to Clear Unemployment Out of Your Way** Tella Olayeri,2020-11-21 This is a violent spiritual prayer book written to set applicants free from the wilderness of unemployment Prayers are needed to open every closed door against opportunities The Holy Spirit vomited prayers in this book openly reveals that the Common Process to win at interviews are not common In the labour market demand for few available jobs far outstrip supply This makes room for intense competition among many equally good qualify and competent hands who are at the mercy of employers From experience an applicant needs a competitive edge to excel at interviews Above all everyone need the best for himself Therefore this book is not only meant for applicants in the unemployment market but for those that may want to be on the move as most people are yet to be in their right Canaan office
