

A young boy with light brown hair, wearing a red long-sleeved shirt, is shown from the side and back. He is leaning over a light blue surface, pouring small gold coins from a clear glass jar into a pink piggy bank. Some coins have spilled onto the surface. A small stack of coins is also visible on the right side of the frame.

## My Tiny Book Of Tithing:

**My Tiny Book of Tithing** Marion Passey,2002 Children learn what tithing means and why God asks us to pay it

*Tithing, Giving and the New Testament* Anastasios Kioulachoglou,2008-11 Tithing Giving and the New Testament sets out to examine tithing from the New Covenant's perspective and without preconceived ideas It starts examining tithing in the Old Testament Then explores what the New Testament says about giving Were the Christians in the 1st century churches the churches we find in the New Testament tithing How did they apply giving To whom did they give how much and based on which principle If they had a budget what would the items in this budget look like Inevitably it compares their practices with our practices There is much that can be learned about this topic from the Word of God and the purpose of this book is to bring it to light for the benefit and the enlightenment of the readers Anastasios Kioulachoglou is a business consultant and lay teacher in the body of Christ He is a native Greek speaker In his spare time he works on his Bible teaching online magazine The Journal of Biblical Accuracy [www.jba.gr](http://www.jba.gr) *The Little Book that Told the Truth Vol. 01* Luis Hernandez,2023-09-05 Why do you need to read this book Simply for eternal salvation and everlasting life Also to be able to differentiate the truth from false religious doctrines You see the world has you thinking that if you are a good person a good citizen you feed the poor you give to charity you help the elderly you volunteer in a hospital you serve your community and so on that you then die and automatically go to heaven Wrong The truth is Jesus is the Way the Truth and the Life It's not about how good you are It's about what he did for you So if you want to know the truth I challenge you to read this book cover to cover and I will promise you that you will change and receive the answers to the questions that rattle your mind You will look at the world in a different light and your spiritual eye will be opened In addition most people think that if they accept Jesus they automatically go to heaven Well they are correct But what they don't take into account is consequences You see you can be born again and your final destination will be heaven But you probably get there a little quicker and with much pain and suffering You see when you get born again the battle starts right there and then You are marked And this pertains to believers But if you haven't accepted Jesus well life has never begun for you because you are spiritually dead You see a nonbeliever understands man's laws good and bad But what a nonbeliever needs to understand is salvation Now salvation is not a license to sin whether you are saved or unsaved You will have to deal with consequences of your sin Salvation simply means your final eternal destination In this book you will discover truth and everlasting life And the truth will set you free In addition there are many topics that I cover in this little book that will greatly bless you in your spiritual walk in life I pray you discover them all in Jesus name Amen **Tithes and Offerings** G. Davis Dean, Jr.,2014-10-15 Tithes and Offerings Perspectives on Christian Giving is the result of a suggestion made to the author by a close Christian friend and consultant His reasoning was that although there are many books on the Christian tithes and offerings they are overwhelmingly legalistic or moralistic Such appeals have often been based upon the popular though false health and wealth gospel This suggestion led the author to

consider and examine not only points of conservative church doctrine as they may be applied to the subject but to incidents in Scripture that involved the act of giving This in turn led the author into a research and analysis of the historical and cultural context of the exchange and the profile and life situation of the personages involved in it The final matter to come out of all this reconstruction was to put a flesh and bone humanity upon personages most people only know from Scripture by their names and the deeds associated with them But more in regard to the act of giving there is the considering of what the act meant to them personally and to translate this very human meaning to Christian giving among believers even today

*Whatever Happened to the Gospel?* R. T. Kendall,2018 Respected author and theologian R T Kendall sounds a wake up call for churches across the globe Whatever Happened to the Gospel seeks to reacquaint you with the Gospel and reignite a passion in your heart to know more of God *The Little Book of Big Questions* Jonathan Robinson,1995-01-01 A collection of perennial questions about the nature of God the reason for evil the meaning of death the variety of spiritual experiences and similar subjects offers a simple effective tool for exploring all aspects of spirituality Original 50 000 first printing IP

Bradford Smith,1999 This book describes the specific practices and customs of giving money goods and services within the Mexican Guatemalan Salvadoran Filipino Chinese Japanese Korean and African American communities in the San Francisco Bay Area It finds that rather than giving large amounts of money to charitable organizations to distribute to strangers people in these communities share their modest wealth with other people they usually know well The study suggests that the amount of giving by minorities may be roughly consistent with that of white America relative to personal resources but the forms and beneficiaries of minority giving may be quite different giving to or helping needy individuals families and informal groups rather than the mainstream charities usually studied by researchers *Woman's Missionary Friend* ,1938 **The Morning Star and Free Baptist** ,1908 **True Latter-Day Saints' Herald** ,1886 The family magazine of the Reorganized
