New Testament Survey:

A Survey of the New Testament Robert H. Gundry, 2012-06-19 A definitive guide to the New Testament of the Bible providing both the broader historical and cultural context as well as a passage level commentary for each book. Many students of the Bible launch into their studies without a prior systematic reading of the New Testament. This survey is unique in the way it assists a close and complete reading without bogging down in extensive introductions and over academic material. Instead A Survey of the New Testament converses with each passage in the form of brief commentary while enabling you to see how background material such as intertestamental history, Judaism and other historical matters helps interpret the text. By tracing the flow of thought from passage to passage you'll gain a sense of the natural progression of the narrative and logic in the New Testament. This fifth edition of Robert Gundry's classic widely used textbook includes updates and revisions throughout and a fresh full color design including More photos and updated improved maps. Links to relevant websites for further study. Outlines, study goals, summaries and review questions for each chapter. Phonetic pronunciations for unfamiliar names and terms. Breakouts with illustrative quotes from ancient nonbiblical literature. Updated bibliographies.

New Testament Survey Merrill C. Tenney, 1985-08-28 Written in a clear non technical style New Testament Survey is an analytical and historical survey which sets forth the message of the New Testament against a fully integrated picture of the world of the first century.

New Testament Survey: an Outline Willis C. Newman, 2010-05-18 This book gives you a basic overview of the New Testament. Included in this birds eye view are general facts regarding the Bible as a whole and the New Testament in particular. I also introduce some basic concepts about interpretation and canon. From there I go into areas of the historical and cultural context where the New Testament took its form. It is important to anchor the words of the New

Testament into the events, history, social structures, culture and places of this world. A basic background and outline of each of the books of the New Testament is also provided.

A Popular Survey of the New Testament Norman L. Geisler, 2014-09-09 Uncovering the content, structure and teachings of the New Testament. Understanding the New Testament is a daunting but exciting task. Our world is so different from that of the first century. The dress, travel, vocation and custom of biblical

characters are all foreign to us. Yet it is important to understand the context and content of the New Testament if we are to be faithful followers of Jesus Christ. A Popular Survey of the New Testament is designed to help ordinary people enrich their understanding of New Testament people and events. It addresses many questions that readers of the Bible may have such as:

Who wrote the books of the New Testament and to whom were they writing? When were these books written and why? How can a warning about first century Gnostics help Christians today? What can today's believers get out of a letter about a slave returning to his master? How can we understand difficult passages in the New Testament?

Written in an easy informal style, this survey is accessible and enjoyable to anyone who wants to better understand the New Testament.

New Testament Survey on the Life of Jesus Christ Dr. John Thomas Wylie,2016-02-22 I recently published my seventh title and the Lord compelled me Press on toward the mark I realize much could be said of Jesus Christ and that would not be enough If it were possible one might pen as much as the number of hairs on ones head or the number of stars in the heavenly skies but that's not enough said about Christ If I could pen the sum total grains of the sand in the desert that would not be enough Thats not enough to express the awesome nature of Jesus Christ It would be impossible to begin to scratch reality's surface What I do know is that a man can begin somewhere and express his views concerning the Master So I conclude this and begin my topic on A Brief New Testament Survey on the Life of Jesus Christ Thus grace unto God our Father who provides for all according to his glory and the making of this eighth title A Brief New Testament Survey on the Life of Jesus Christ This publication is a brief survey and not an expository study on the life of Jesus Christ and teachings of Christ The content of the publication is intended to give a more accurate account according to the Gospel of Luke and other scriptures to strengthen the young readers confidence in what the gospel will tell about Christ Although every episode of Jesus Christ is not covered that is not this books intent The intent is to give many young people and first time readers a starting point Christ wards Reverend Dr John Thomas Wylie **New Testament Survey** Bible Lessons International,2000-12-01 A Student's
