*World Whisky & more: issue 9* ,2025-12-07 It is both exciting times in World Whisky but this is also worrying because of the global politics and the political uncertainty and questionable leadership in the UK It is not exactly the easiest right now in whisky or in drinks in general Sad to see despite all the positivity big producers halting or pausing production both in several countries It is clear that some of the marketing strategies and direction are just not working anymore and even Bourbon and Scotch are prone to market changes We hope that geopolitical and other market

disturbances will pass and 2026 will be a nice year for the world whisky industry We have completed another year here at World Whisky More serving the whisky community and it is heartwarming to see our community of contributors and readers engaging with each other so greatly Thank you all for a lovely 2025 despite the turbulence and here s to a great 2026 Cheers
