The National Guide to Educational Credit for Training Programs 2002 (Ace) American Council on Education, American Council on Education, 2005

For over 25 years this guide has been the trusted source of information on over 6,000 educational programs offered by business, labor unions, schools, training suppliers, professional and voluntary associations, and government agencies. These programs provide educational credit to students for learning acquired in non-collegiate settings. Each entry in the comprehensive National Guide provides:

- BL Course title as assigned by the participating organization
- BL Location of all sites where the course is offered
- BL Duration in contact hours and days or weeks
- BL The period during which the credit recommendation applies
- BL The purpose for which the course was designed
- BL The abilities or competencies acquired by the student upon successful completion of the course
- BL The teaching methods
- BL Materials, equipment and major subject areas covered
- BL College credit recommendations offered in four categories by level of degrees and expressed in semester hours and subject areas in which credit is applicable

The introductory section includes the Registry of Credit Recommendations, an ACE College Credit Recommendation Service transcript system.
