Pacing Guide For Common Core Imagine It:

Uncommon Core Michael W. Smith, Deborah Appleman, Jeffrey D. Wilhelm, 2014-04-15 Let's face it weak rivets notwithstanding the Titanic wouldn't have sunk if the iceberg had been spotted in time And let's face it the CCSS won't be classroom worthy unless practitioners chart our course Depend on Michael Smith Deborah Appleman and Jeff Wilhelm to help you navigate through some potentially treacherous waters Uncommon Core puts us on high alert about some outright dangerous misunderstandings looming around so called standards aligned instruction then shows us how to steer past them all in service of meeting the real intent of the Common Core Smith Appleman and Wilhelm counter with teaching suggestions that are true to the research and true to our students including how Reader based approaches can complement text based ones Prereading activities can help students meet the strategic and conceptual demands texts place on them Strategy instruction can result in a careful and critical analysis of individual texts while providing transferable understandings Inquiry units around essential questions can generate meaningful conversation and higher order thinking about those texts Selection criteria that consider interpretive complexity can take us so much farther than those that consider textual complexity alone Given the number of strategies lesson ideas and activities in the book Uncommon Core is really less about the standards and more about timeless excellent teaching and how to use it like never before to meet the Core ideals Let's put instruction where it belongs back in the hands of the experts Finally A book with more light than heat on the issue of standards and their implications for learning GRANT WIGGINS Coauthor of Understanding by Design Common Core Curriculum: English, Grades K-5 Great Minds, 2014-05-06 Common Core's English resources empower educators to meet the expectations of the Common Core State Standards CCSS for English Language Arts ELA and build essential content knowledge for students in grades K-5 Each grade in The Wheatley Portfolio features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics Features of this book include Six thematic units for each grade each centered on a curated collection of literary and informational texts Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills Suggested texts and activities to incorporate science art and history into English instruction This revised second edition includes a sample text study that guides students through a close read of an exemplary text updated web resources and refreshed suggested works Educators who create their curriculum based on Common Core's Wheatley Portfolio guarantee that students are exposed to content rich instruction and have ample opportunity to master the reading writing speaking listening and language skills articulated in the CCSS for ELA
