**Faith-based Grants** Beverly A. Browning,2005 Both church or ministry leaders and their members are under the impression that the President and Congress have allocated millions and millions of public funds for faithbased organizations for any purpose religious or non religious and that the faithbased grant tree is full of unrestricted no strings attached ready to pick fruits also known as grant awards In this book my goal is to help churches and ministries across the United States large and small denominational and non denominational understand how to align institutions and congregations to receive the abundance intended under the Federal government s faithbased grants initiative Toward a Scholarship of Practice

John M. Braxton,2017-07-17 Ensure that your institutional policy and practice are guided by empirical research and scholarship rather than by mere common sense trial and error or a shoot from the hip basis for institutional action The two primary goals of a scholarship of practice are 1 improving administrative practice in higher education and 2 developing a knowledge base to guide such practice To attain these goals campuses must use the findings of empirical research as the basis for developing institutional policy and practice The result Improved administrative practice in higher education both at a campus level and for higher education as a social institution This is the 178th volume of the Jossey Bass quarterly report series New Directions for Higher Education Addressed to presidents vice presidents deans and other higher education decision makers on all kinds of campuses it provides timely information and authoritative advice about major issues and administrative problems confronting every institution Free Money to Change Your Life Matthew Lesko,1999 Cover 15
