**Sociocultural Issues in Sport and Physical Activity** Robert Pitter,David L. Andrews,Joshua I. Newman,2022-05-18

This work explores the intersections between modern physical activity and society. It applies social theory to a broad range of physical activities such as sports fitness dance weightlifting and others. This book is an introduction to the social and cultural issues that society tackles when its members are physically active. It emphasizes the promotion of healthy individuals and a healthy body in the many movement settings where the body is active. This book takes a contemporary approach to physical culture to include not just sport but also fitness dance aerobics weight training and more. The authors take a community approach to understanding the factors involved in crafting a healthy society.
