Lives on the Edge Valerie Polakow, 1994-05-28 *Lives on the Edge* offers a penetrating deeply disturbing look into the other America inhabited by single mothers and their children Its powerful and moving portraits force us to confront the poverty destitution and struggle for survival that await single mothers in one of the richest nations in the world One in five children and one in two single mothers live in destitution today The feminization and infantilization of poverty have made the United States one of the most dangerous democracies for poor mothers and their children to inhabit Why then Valerie Polakow asks is poverty seen as a private affair their problem not ours and how can public policy fail to take responsibility for the consequences of our politics of distribution Searching for an answer Polakow considers the historical and ideological sources for society's attitudes toward single mothers and their children and shows how our dominant images of normal families and motherhood have shaped our perceptions practices and public policies Polakow's account traces the historical legacy of discrimination against the dangerous classes and the undeserving poor a legacy that culminates in the current public hostility towards welfare recipients Polakow moves beyond the cold voice of statistics to take us into the daily lives of single mothers and their children The stories of young black teenage mothers of white single mothers of homeless mothers are presented with clarity and quiet power In a detailed look inside the classroom worlds of their children Polakow explores what life is like if one is

very young and poor and consigned to otherness in the landscape of school School is a place that matters it is also a place where children are defined as at risk or at promise Polakow's astute analysis of poor children's pedagogy provides a critical challenge to educators Written by an educator and committed child advocate *Lives on the Edge* draws on social historical feminist and public policy perspectives to develop an informed wide ranging critique of American educational and social policy Polakow's recommendations in the areas of social policy and education point to useful cross cultural models as well as successful small scale programs in place in the United States Yet Polakow constantly reminds us that small facts speak to large issues By providing us with a living sense of the other America she helps us to realize that their America is no other than ours Stark penetrating and unflinching this work challenges our cherished myths of justice and democracy **Radio Silence** Iyanna SB, 2020-12-30 Join Lucina Gregoire as she strives to become a singer and everyone around her is ignorant to her and think she can't do it She then reaches a breaking point in her singing career that changes everything can she still become the singer she always dreamed of This book is about becoming who you want to be regardless of outside noises and people who don't believe in you This book is dedicated to all the dreamers **Christian Herald and Signs of Our Times**, 1886 *Holt Science and Technology 2002* Holt Rinehart & Winston, Holt, Rinehart and Winston Staff, 2002 **Annual Report of the Board of Education of the State of Connecticut Presented to the General Assembly ...** Connecticut.
