Marlene Coles,2007      It's Not What You Sell, It's What You Stand For Roy M. Spence Jr.,2009-02-05 Who is Roy Spence and what makes him the Pied Piper of Purpose Over the last thirty five years Roy Spence has helped organizations such as Southwest Airlines BMW the University of Texas Walmart the Clinton Global Initiative and many others achieve greatness by getting them to obsess about one big idea purpose With purpose as the North Star employee engagement is higher competition is less threatening customers are more loyal and innovation flows It s the secret to developing a more fulfilling work life as well as a healthier bottom line Simply put purpose is a definitive statement about the difference you are trying to make in the world As Spence writes It s your reason for being that goes beyond making money and it almost always results in making more money than you ever thought possible It s not soft stuff as some might scoff Especially during times of great economic uncertainty purpose is the key to creating and maintaining a high performing organization It deserves just as much attention as strategy execution and innovation A real purpose can t just be words on a piece of paper It has to get under the skin of every member of your organization like Southwest s purpose of democratizing the skies or Walmart s of saving people money so they can live better If you get it right your people will feel great about what they re doing clear about their goals and excited to get to work every morning No organization is too big or too small too niche or too mundane to benefit from a clearly defined purpose Spence and coauthor Haley Rushing share their insider insights and case studies to help you discover your organization s purpose proclaim it to the world and apply it to everything you do This book will force you to address some tough and profound questions What difference do we want to make in the world What do we really stand for Do we have purpose based leaders in key roles Do our employees feel like what they do matters Would our customers miss us if we ceased to exist Do we bring our purpose to life everywhere we can both internally and externally Spence s hard won lessons will change the way you view your job your business model your leadership style and your marketing They will help you make money make a difference and with a little luck make history      **Recruitment and Retention in Higher Education** ,1997

*Debt-Free U* Zac Bissonnette,2010-08-31 This book can save you more than 100 000 These days most people assume you need to pay a boatload of money for a quality college education As a result students and their parents are willing to go into years of debt and potentially sabotage their entire financial futures just to get a fancy name on their diploma But Zac Bissonnette is walking proof that this assumption is not only false but dangerous a class con game designed to rip you off and doom your student to a post graduation life of near poverty From his unique double perspective he s a personal finance expert at Daily Finance AND a current senior at the University of Massachusetts Zac figured out how to get an outstanding education at a public college without bankrupting his parents or taking on massive loans Armed with his personal knowledge the latest data and smart analysis Zac takes on the sacred cows of the higher education establishment He reveals why a lot of

the conventional wisdom about choosing and financing college is not only wrong but hazardous to you and your child's financial future. You'll discover for instance that student loans are NOT a necessary evil. Ordinary middle class families can and must find ways to avoid them even without scholarships. College rankings are useless designed to sell magazines and generate hype. If you trust one of the major guides when picking a college you face a potential financial disaster. The elite graduate programs accept lots of people with non elite bachelor's degrees. So do America's most selective employers. The name on a diploma ultimately won't help your child have a more successful career or earn more money. Zac can prove every one of those bold assertions and more. No matter what your current financial situation he has a simple message for parents: RELAX. Your kid will be able to get a champagne education on a beer budget.

**Rankings and the Reshaping of Higher Education** E. Hazelkorn, 2011-03-08 University rankings have gained popularity around the world and are now a significant factor shaping reputation. This book is the first comprehensive study of rankings from a global perspective making an important contribution to our understanding of the rankings phenomenon. This book has also been published in Japanese.
