**Mom: Travels with Toby** by Marnie McBain,2021-05-07 One woman s journey of discovery as she travels the world on a budget with her young son A free spirit by nature Marnie has always been too adventurous for a suburban life or middle class marriage Her attempt at a conventional lifestyle gnawed at her spirit and left her frustrated with not fitting in After her divorce a brief unsuitable relationship produces her miracle child Toby Marnie begins to see her world through the eyes of an impressionable child and realizes trying to conform to normal society is disheartening and downright painful When Toby is two Marnie decides to take charge of his upbringing rather than letting society strangers and daycares raise him She believes travel is the best teacher so the single mom swaps her car for an RV and she and Toby set off to explore what is possible within their limited means After six months on the road mixing with kindred spirits Marnie and Toby struggle to reassimilate into the lifestyle that society expects It s clear that normality and conformity just aren t for them Hungry for unique experience and intrigued by world schooling they take the plunge into a nomadic existence They re all in This time there s no going back Soon they re wandering the globe on a tight budget with adventure and life lessons around every corner Through spiritual development and self employment a traumatic brain injury and a pandemic Marnie breaks away from others expectations and learns to live life on her own terms She would never have guessed when she set out to educate her son that she would also find her own truth If there s one thing Marnie has learned and one lesson that can be gleaned from her experiences it s that as you navigate the road of life you will always encounter speed bumps These speed bumps are little tests of your resolve to remain on your current path If you are constantly running into roadblocks rather than speed bumps it s entirely likely that you are on the wrong road and it s time to take a different one You and only you have the power to turn left when society is saying turn right There is only one person that can change your trajectory and that s YOU
