Organizational Communication and Change Philip J. Salem,1999 The chapters in this volume drawn from the second Organizational Communication and Change conference focus on changes in the ways people enact and make sense of organization including behaviours that stimulate and constitute change

Organizational Communication Eisenberg,1993-01-01

Arguments and Arguing Thomas A. Hollihan, Kevin T. Baaske,2015-11-17 The latest edition of Arguments and Arguing contains the same balance of theory and practice breadth of coverage current and relevant examples and accessible writing style that made previous editions so popular in hundreds of classrooms The authors draw from classic and recent argumentation theory and research contextualized with well chosen examples to showcase a narrative style of argumentation and the values and attitudes of audiences Readers learn how to employ both formal and informal argumentative strategies in an array of communication forums from interpersonal interactions to academic debate to politics to business A newly added chapter on visual argumentation and a striking color photo insert demonstrate the value and power of visual elements in the construction of arguments The ability to argue is necessary if people are to solve problems resolve conflicts and evaluate alternative courses of action While many are taught that arguing is counterproductive and arguments should be avoided Hollihan and Baaske illustrate that arguing is an essential and fundamental human activity Learning the art of effective argumentation entails a grasp of not only the strategies and principles of analysis and logical reasoning but also the importance of arguing in a positive and socially constructive fashion

Organizational Communication: Participation, power, and gender Linda Putnam, Kathleen J. Krone,2006 Covering the fundamental theories of organizational communication studies this collection focuses in particular on the development of the field through articles that influenced agenda setting and charts the course of the research

Fundamentals of Organizational Communication Pamela Shockley-Zalabak,2006 This text presents the concepts of organizational communication within a

unique competency based approach that incorporates personal knowledge interpersonal sensitivity communication skills and ethical values Blending theory analysis and practice more extensively than any other text on the market Fundamentals of Organizational Communication provides an introduction to major organizational communication issues and theories as well as an immediate application of the concepts presented New and Enduring Features A chapter on organizational change and communication has been added giving the topic the individual attention and focus it needs and allowing for better understanding and discussion among students Chapter 11 A new section focusing on crisis communication has been added Since the September 11 2001 attacks many organizations are looking at their crisis communication plans to be sure that they can handle a crisis requiring major strategic communication efforts New cases and essays have been added to increase the understanding of theory The competency based approach integrates theory with opportunities for critical thinking and skill development Original cases in each chapter and in the Putting It All Together sections give students opportunities to apply theory and concepts to real situations Additional cases in the Instructor s Manual also can be used for class discussion and testing A global focus throughout the text assists students in preparing for the changing nature of the workplace Comprehensive coverage of major issues including organizational conflict leadership values diversity technology and ethical behavior offers students a thorough introduction to the current field of organizational communication Praise for Fundamentals of Organizational Communication This text is current and uses relevant real world examples and as a former business manager and consultant for over twenty years I found the currency to be lacking in many other books Sue Easton Rollins College Personally I am a great fan of the author and find her articles and scholarly work to be stimulating and leading edge I found her text to be the same way Sue Easton Rollins College

Organizational Communication: Cultures, globalization, and discourse Linda Putnam, Kathleen J.
