*The National Licensing Exam for Marriage and Family Therapy* Lucas A. Volini, 2018-01-07 Much more than just a practice exam. This notable addition to MFT Licensing Exam's line of effective and efficient study aids offers the first practice exam of its kind to applicants preparing for the national licensing exam in Marriage and Family Therapy. Providing the reader with far more than just questions, this manual begins with an overview of the national exam test taking strategies, study techniques, and a unique section on identifying and understanding the knowledge domains measured on the licensing exam. But the reader will benefit most from the 100 question practice exam weighted to the knowledge domains measured on the actual exam while maintaining congruence in rigor and structure. As Domain 1 on the actual exam measures The Practice of Systemic Therapy and accounts for 23 percent of the exam, 23 questions on this practice exam fall within Domain 1's criteria and so forth. What truly sets this practice exam apart is the following chapter providing a thorough breakdown and analysis of each question as organized by the knowledge domain to which it belongs. Readers will not only be able to score their performance on the exam but also review which questions were marked incorrect with a provided rationale AND measure how they performed within each particular knowledge domain. And to wrap things up, the author provides an in-depth glossary of key terms and definitions that span the profession and practice of Marriage and Family Therapy. Truly this practice exam manual stands apart from the rest. Designed to supplement MFT Licensing Exam's Independent Study Guide, applicants can take their next step in test preparations by working through this comprehensive practice exam manual. With MFT Licensing Exam, you can rest assured knowing you TRUST YOUR RESOURCES.
