**You're Not Too Late** Rebecca George, 2025-04-01 The world tells us to hurry up and get what we want God tells us to rest and trust in His timing Discover practical ways to place your meanwhile season in the hands of a faithful God We experience longing in every season of life whether we ache for a spouse or a child for healing in brokenness or for clearer direction in our calling As Rebecca George reminds us in this highly relevant message we can fall into resentment about what we lack or we can see our unmet desires as an invitation to draw closer to a trustworthy God Offering a gospel centered approach to faithful living You re Not Too Late includes wisdom for how to bring our disappointments to God real life ideas for dealing with envy isolation and doubt insights into finding contentment no matter our circumstances step by step ways to turn from sinful thought patterns to life giving habit prayer prompts discussion questions Scripture for reflection and accompanying online videos With the compassion of someone who similarly struggles Rebecca presents a comprehensive approach to waiting that doesn t deny our desires but teaches us how to commit them to the care of our Savior **The New**

**Empire of AI** Rachel Adams, 2024-11-05 As AI takes hold across the planet and wealthy nations seek to position themselves as global leaders of this new technology the gap is widening between those who benefit from it and those who are subjugated by it As Rachel Adams shows in this hard hitting book growing inequality is the single biggest threat to the transformative potential of AI Not only is AI built on an unequal global system of power it stands poised to entrench existing inequities further consolidating a new age of empire AI s impact on inequality will not be experienced in poorer countries only it will be felt everywhere The effects will be seen in an intensification of international migration as opportunities increasingly concentrate in the hands of wealthier nations in heightened political instability and populist politics and in climate related disasters caused by an industry that is blind to its environmental impact across supply chains We need to act now to address these issues Only if the current inequitable trajectory of AI is halted the incentives changed and the production and use of AI decentralized and decoupled from wealthier nations will AI be able to deliver on its promise to build a better world for all Also available as an audiobook **iPhone For Seniors For Dummies, 2026 Edition** Dwight Spivey, 2025-10-27 Stay
