## **Other Pasts Different Presents Alternative Futures:**

Other Pasts, Different Presents, Alternative Futures Jeremy Black,2015-08-03 The most robust defense of historical counterfactuals to date For those interested in this fascinating subject Black s book is indispensable Publishers Weekly starred review What if there had been no World War I or no Russian Revolution What if Napoleon had won at Waterloo in 1815 or if Martin Luther had not nailed his complaints to the church door at Wittenberg in 1517 or if the South had won the American Civil War The questioning of apparent certainties or known knowns can be fascinating and indeed What if books are very popular However this speculative approach known as counterfactualism has had limited impact in academic histories historiography and the teaching of historical methods In this book Jeremy Black offers a short guide to the subject one that is designed to argue its value as a tool for public and academia alike He demonstrates that in skillful hands counterfactual history is more than just fun as one ingredient among many it can be an extremely fertile source of explanation History Today Black s illustrative examples of what if how and why will make readers sit back and wonder Kirkus Reviews With a unique methodology Black performs a what if analysis of history to show how little it takes to change the world s fate This book provokes thought and speculation while also entertaining Foreword Reviews A sparkling defense of the legitimacy and utility of counterfactual history of what ifs and the best single work on its subject available Weekly Standard
