alive and relevant     **History of the Puritans in England, And, the Pilgrim Fathers (Classic Reprint)** William Hendry Stowell,2016-10-26 Excerpt from History of the Puritans in England And the Pilgrim Fathers This volume is intended to compress within narrow limits the story of the English Puritans by weaving into the tissue of the general narrative some biographical details respecting the men who bore that name The writer has spared no pains in consulting the best authorities on both sides of the great controversy of which Puritanism was the result He can conscientiously present the history to the public as authentic and he hopes it will not be condemned by any intelligent and candid reader as wanting in fairness towards the opponents of the Puritans If there is less of the tone of an advocate and admirer than in some other works of the same description he has only to say that he has described the Puritans as they have appeared to his own mind in reading their writings and those of their contemporaries that he has felt no anxiety about gratifying the spirit of party and that he has long been convinced of the folly as well as the injustice of loading the men of any principles in any age with excessive praise The time has come by general consent for doing justice to the memory of the English Puritans Let justice suffice Their doings belong to our national history their writings to our national literature and we claim the inheritance of their principles About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
