Bateman, Scott Snell, 2004 Book Description Management The New Competitive Landscape by Bateman and Snell has consistently discussed and explained the traditional functional approach to management through planning organizing leading and controlling. But the 6th edition goes a step further in defining and highlighting four bottom line practices that managers and companies must deliver to their customers. Innovation Speed Quality and Cost. Bateman and Snell's Management The New Competitive Landscape 6th edition has always been about a series of firsts first to have a chapter on diversity first to devote a section to the environment and first to relate a bricks and clicks theme to explain the challenges of managing in a New Economy. This new edition is no exception with the expansion of such timely topics as ethics and technology. Management The New Competitive Reality 6th

edition shows how managers must utilize the classic principles of management in combination with the practices of the New Economy to achieve managerial goals By reinforcing these new business practices in context with the functional approaches the authors deliver a unique theme amongst all principles of management texts how to manage in ways that deliver results
