In a competitive job market, first impressions are vital. To get an interview, you're going to have to stand out, and a well-executed cover letter is vital to ensure that you do not fall at the first hurdle. This book takes you through all the essential rules and high impact strategies to ensure your cover letter makes you stand out from the crowd. It takes a detailed look at the fifteen most common cover letter mistakes to ensure you do not make the errors that the competition will be and covers every situation from email and fax to speculative letters, career development letters and advert response letters.

No-nonsense Cover Letters Wendy S. Enelow, Arnold G. Boldt, 2007-01-01. In today's competitive job market, if your cover letter doesn't grab the interviewer's attention, he or she may never even glance at your resume. No Nonsense Cover Letters gives you the powerful, practical tools to write attention-grabbing cover letters that complement your resume and get you more interviews and job offers. The book begins with a thorough but easy-to-understand explanation of the key elements that are vital to creating attention-grabbing letters, including why writing a cover letter is about selling yourself, how to craft targeted cover letters, when to use bullets or paragraphs, and creating E letters for today's E-search environment. Subsequent chapters offer tips on writing winning cover letters for opportunities for virtually every profession. *The Guide to Basic Cover Letter Writing* Steven Provenzano, 1995. Sooner or later, you'll want to apply for a job, and you know you won't be the only one applying. To make your qualifications stand out from the crowd, you have to know how to present them. There's no better way to match your sales pitch to your reader's interests than with a great cover letter. A cover letter gives yourself a chance to focus on your strongest points. It lets you tell more about yourself than a resume can. And it lets you say it straight to your reader, one-on-one. *Gardner's Guide to Internships in New Media* Garth Gardner, 1999.
