**Enshittification** Cory Doctorow, 2025-10-07 Enshittification it s not just you the internet sucks now Here s why and here s how we can disenshittify it We re living through the Enshittocene the Great Enshittening a time in which the services that matter to us that we rely on are turning into giant piles of shit It s frustrating Demoralizing Even terrifying Enshittification identifies the problem and proposes a solution When Cory Doctorow coined the term enshittification he was not just finding a funner way to say things are getting worse He was making a specific diagnosis about the state of the digital world and how it is affecting all of our lives and not for the better The once glorious internet was colonized by platforms that made all but magical promises to their users and at least initially seemed to deliver on them But once users were locked in the platforms turned on them to make their business customers happy Then the platforms turned to abusing their business customers to claw back all the value for themselves In the end the platforms die Doctorow s argument clearly resonated Once named it became obvious that enshittification is everywhere so much so that the American Dialect Society named it its 2023 Word of the Year and was cited as an inspiration for the 2025 season of Black Mirror Here now in Enshittification the book Doctorow moves the conversation beyond the overwhelming sense of our inevitably enshittified fate He shows us the specific decisions that led us here who made them and most important how they can be undone At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

**Population Change and Public Policy** Billystrom Jivetti, Md. Nazrul Hoque, 2020-12-04 This book provides a solid empirical portrait based on the complexities of demographic components of population change It describes recent innovations trends challenges and solutions to population change and public policy issues such as but not limited to immigration gender discrimination in the labor market student housing teen pregnancy programs smoking and alcohol consumption and environment and self rated health As such it provides an interesting platform for academics researchers policy makers and students to explore experiences and research findings on special topics in applied demography and how those inform the field of population studies and public policy

**Ghost Work** Mary L. Gray, Siddharth Suri, 2019 A startling expos of the invisible human workforce that powers the web and how to bring it out of the shadows Hidden beneath the surface of the internet a new stark reality is looming one that cuts to the very heart of our endless debates about the impact of AI Anthropologist Mary L Gray and computer scientist Siddharth Suri unveil how the

services we use from companies like Amazon Google Microsoft and Uber can only function smoothly thanks to the judgment and experience of a vast human labor force that is kept deliberately concealed The people who do ghost work make the internet seem smart They perform high tech on demand piecework flagging X rated content proofreading transcribing audio confirming identities captioning video and much more The shameful truth is that no labor laws protect them or even acknowledge their existence They often earn less than legal minimums for traditional work they have no health benefits and they can be fired at any time for any reason or for no reason at all An estimated 8 percent of Americans have worked in this ghost economy and that number is growing every day In this unprecedented investigation Gray and Suri make the case that robots will never completely eliminate ghost work and the unchecked quest for artificial intelligence could spark catastrophic work conditions if not stopped in its tracks Ultimately they show how this essential type of work can create opportunity rather than misery for those who do it Dust jacket *Beyond the Algorithm* Deepa Das Acevedo,2020-11-05

Qualitative empirical research reveals that the narratives and real life experiences defining gig work have concrete implications for law Contract Law and International Trade Regulation Pierre de Gioia Carabellese,Camilla Della Giustina,2025-12-15 Contract law and international trade are two significant and distinct areas of legal practice that often intersect While rooted in the standard contract law syllabus this comprehensive advanced textbook seeks to examine the interaction between contract law rules and international trade regulation It blends in depth discussion of the most important traditional legal concepts in both these areas of the law with a careful analysis of emerging issues and more contemporary topics such as digital contracting trade in services and the Europeanisation of contract law at the level of the European Union Facilitating engagement with the subject matter in a way that bridges foundational legal principles and contemporary debates the authors provide a rigorous intellectual analysis of the law where both precedents and applicable legislation are discussed critically A comparative analysis is offered between English common law which is used as the constant yardstick and its EU counterpart Focusing on key themes such as globalisation IT and digitalisation ESG and sustainability the Covid 19 pandemic Brexit and human rights this book allows readers to deepen their knowledge and understanding of contract law and international trade regulation while developing an appreciation of the contemporary relevance of these areas of the law and their challenges Contract Law and International Trade Regulation will be a valuable text for advanced undergraduate and postgraduate law students

Doordash Tips: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. Doordash Tips : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
