Netflix and the Re-invention of Television Mareike Jenner, 2023-09-09 This book deals with the ways Netflix influenced the contemporary television landscape and built the infrastructures of streaming. It focusses on various ways Netflix reconceptualises television as part of the process of TV 4. As television continues to undergo a myriad of changes, Netflix has proven itself to be the dominant force in this development, simultaneously driving a number of these changes and challenging television's existing institutional structures. This comprehensive study explores the pre history of Netflix, the role of binge watching in its organisation and marketing, and Netflix's position as a transnational broadcaster. *Netflix and the Re-invention of Television* illuminates the importance of Netflix's role within the processes of TV 4. This Second Edition highlights the role Netflix plays in the so-called streaming wars and incorporates recent research in television studies. It also re-evaluates the company's incorporation of issues of diversity in its focus on middlebrow television. The book also includes a new chapter on the transnational streaming franchise networks of texts developed internal to platforms to build infrastructures of transnational streaming.

This Is True Crime Raven Rollins, 2025-11-09 From the author of the bestselling award-winning true crime book *Allegedly* and the acclaimed podcast *Sirens*, When violence shatters a life, it doesn't just leave behind a crime scene; it leaves behind families searching for answers, advocates fighting to be heard, and storytellers determined to make sure the victim is not forgotten. This book is for all of them. Whether you are a grieving mother staring down a twenty-year-old cold case, a survivor trying to reclaim your voice, or a podcaster, writer, or researcher called to tell these stories with care, this is your roadmap. Raven Rollins has stood in all of those places. She is a survivor, a victim, a family member, and an advocate who has spent years pushing against silence and navigating the systems that so often feel unmovable. In these pages, she shares not only the tools to dig, such as how to request records and uncover what lies buried in files, but also the wisdom for doing this work ethically, honoring victims and their families along the way. This book serves as a guide for navigating the true crime space for anyone who refuses to give up on cases when the system goes quiet. Inside, you will find clarity, compassion, and direction. You will learn how to take those first steps forward, whether you are carrying your own loved one's case or shining a light on someone else's. In these pages, Raven shares both the strategy and the soul of true crime advocacy: practical tools for requesting records and autopsy reports, pursuing DNA testing, crafting press releases that get attention, and working ethically with media investigators and the law. You'll learn how to uncover the truth when the system goes quiet and do so with empathy, accuracy, and respect. Above all, you will be reminded that you are not powerless. You are not alone, and your voice matters. Featuring insights from leading voices united in ethical storytelling, inside this book: Kathryn Miles, Author of *Trained*; Kathryn Casey, Author of *Deliver Us*; Julie Murray, sister of Maura Murray; Media Pressure Podcast; Terra Newell, Survivor Squad; Terra's Baddy Club Podcasts; Jax Miller, Author of *Hell in the Heartland*; Tony Adame, Author of *Chase the Devil*; Robin Warder, *The Trail Went Cold*; Kenneth Bator, *First and True* Podcast.
