Advertising and promotion.

Marketing communications in advertising and promotion in business Musfirah Mohamad,2015-12-29 Document from the year 2015 in the subject Communications Public Relations Advertising Marketing Social Media grade Merit course Higher National Diploma in Business Marketing language English abstract This report is assigned to do marketing communications in advertising and promotion in business In this assessment I have to explain the communication process that applies to advertising and promotion In this communication process includes the sender or source message encoding media channel decoding receiver response or feedback and noise In addition I will explain precisely regarding the organization of the advertising and promotions industry In advertising and promotion industry consist advertiser advertising and promotion agencies external facilitators media organizations and target audiences All these elements are the mediums

for any organization or business to implement the advertisement in order to advertise and promote their products or services Without the help of those elements the advertising could not happen Moreover when advertisers make advertisements they should aware with the rules and regulations in advertising Here I have to assess on how promotion in Aroma Cake House is regulated According to Malaysia Code of Advertising Practice Guidelines to Avoid False and Misleading Advertising and Broadcasting Ethics Code I will mention the important part that this company should aware in advertising Lastly there are several current trends in advertising industry occur in Aroma Cake House I will explain regarding media clutter new media sales promotion and impact of ICT towards this company In other to enhance the business performance through advertising I would like to suggest to Aroma Cake House by using pay per click advertisement on Google Search Engine Google will advertise this company so that when user type Aroma Cake House will be on top of the homepage Other than that I suggest to Aroma Cake House to make discount coupon for UiTM students since they always sell the goods in UiTM on every Tuesday The discount coupon will be given for those purchases more than RM 20 This activity can increase the sales of Aroma Cake House

Benefits of Influencer Marketing in Tourism Alina Fackler, 2018-04-17 Seminar paper from the year 2018 in the subject Business economics Offline Marketing and Online Marketing grade 2.0 University of Applied Sciences Deggendorf language English abstract Nowadays it is a decisive role for the image of a company to be represented on social media because it is one of the most important type of media in today's time The influence of traditional media is declining sharply Companies thus lose the opportunity to reach their target groups via these older communication channels At the same time almost 80% of adults are online and are spending daily 166 minutes on average in the web Consumers look at other consumers to inform themselves about products and services This is why a new segment of Marketing has developed so called Influencer Marketing It is a trend topic and many companies deal already with it Many tourism companies agree that Marketing of their offers is mostly online But customers do not exclusively inform themselves online Word of mouth from family and friends are still worth a lot Consequently the tourism companies cannot compete with personal relations Nevertheless there is an opportunity to work with bloggers and thus imitate the personal recommendation Most tourism experts are already actively using social media and look above all opportunities for stronger customer loyalty direct contact with customers but also for addressing new target groups The aim of the present work is to define Influencer Marketing and to work out the benefits for the tourism industry

The Influence of Social Media Platforms on the Consumer-Brand Engagement of Polarising Brands Eileen Werner, 2022-07-08 Master's Thesis from the year 2022 in the subject Communications Public Relations Advertising Marketing Social Media grade 1.0 Technical University of Ilmenau language English abstract This master thesis focuses on the influence of the social media platforms Instagram and Facebook on the consumer brand engagement of polarising brands Social media platforms are not only for private use but are important communication and advertising tool for brands to build strong customer relationships To stand out from the crowd of

competitors and attract the attention of potential consumers brands are increasingly using humorous polarisation Based on a quantitative content analysis of user comments N 1 500 the correlations between the social media platforms Instagram and Facebook and the consumer brand engagement of the polarising brands true fruits SIXT and BVG are examined The Uses and Gratification Theory and the Communication Accommodation Theory serve as the theoretical basis
