product The long awaited new edition of the world s most widely used and highly regarded textbook and reference of
emergency medicine A Doody s Core Title for 2019 Tintinalli s Emergency Medicine is THE essential resource for everyone
working in and teaching emergency medicine The Ninth Edition provides the depth and breadth of coverage that reflects the
complexity and expertise needed to practice emergency medicine in today s fast paced environments This comprehensive
text is an important clinical resource for physicians residents and students advance practice providers emergency nurses
EMTs and paramedics It is a necessary resource for in training and board examinations and recertification Tintinalli s
Emergency Medicine covers everything from prehospital care disaster preparedness and basic and advanced resuscitative
techniques to all the significant medical traumatic and environmental conditions requiring emergency treatment in adults
children and neonates Highlights of the Ninth Edition Full color design with more tables than ever to succinctly present key
information Extensive updates to all sections incorporating the latest clinical and evidence based information Online access
to over 100 videos covering a wide range of diagnostic and therapeutic procedures and POCUS for obstetric gynecologic
pediatric musculoskeletal and vascular conditions World class pediatric section on the care of neonates infants and children
