Mohanty,2018-09-15 Jihad struggle is a holy war to defend Islam against non believers and non Muslims Jihadists are holy warriors The intellectual father of jihadist Islamism Sayyid Qutb who was executed in Cairo in 1966 made the message crystal clear Jihadism jihadist terrorism is a permanent Islamic world revolution aimed at decentering the West to establish Hakimiyyat Allah or God s rule on a global scale This book narrates the evolution of jihadism jihadist terrorism in the past centuries and its impact on the world as an existential threat to the humanity in view of worldwide terrorist attacks with its aggression barbarity burning alive of human beings kidnapping and savagery while imperiling the democracy secularism plurality freedom and security of the civilized world In the last seventy years radical Islamists have won in many places and many times because of the two world wars and the Cold War But the recent years have shown new levels of gruesome and ghastly activity Most Muslims of the world numbering 1.6 billion people total condemn these atrocious deaths and are peaceful They feel their religion is hijacked by a few radicals After September 11 2001 the former president George Bush declared the face of terror is not the true faith of Islam That s not what Islam is all about Islam is peace These terrorists don t represent peace They represent evil and war The leading Muslim country Egypt is fighting terrorism unrelentingly with full force However the rise of Islamic terrorism in the UK Belgium France Somalia the Philippines Afghanistan and other places in Asia the Middle East and Africa is a great threat to the mankind The radical Islamists consider the American invasion of Afghanistan in 2001 and Iraq in 2003 to be a war against Islam These events helped to create a resurgence of radical Islam from Indonesia to Iran to secular Turkey Jihad in the Muslims holy book the Koran refers to inner strife but for centuries radicals have misconstrued it to mean a violent brutal war against nonbelievers The Taliban Al Qaeda ISIS terrorists claim they are true Islamic jihadists

lifelong source of inspiration for Chopra and the first Asian to win the Nobel Prize for Literature When Tagore writes Death my death Whisper to me For you alone have I kept watch day after day romantic ecstasy surges through every word For Tagore the soul was more real than any object and he sang of death as a joyful voyage home to the eternity from which we sprang In these poems we experience a dramatic alternative to the fearful Western view of death Through the magic of Tagore's lyricism we begin to understand that by becoming familiar with death and watching it grow closer we can come to live fully in the present moment As Tagore tells us so eloquently If you weep because the sun has gone out Your tears may blind you to the stars **How to Know God** Deepak Chopra,2001 The bestselling author of Ageless Body Timeless Mind has written his most ambitious and important work yet an exploration of the seven ways we experience God These are shaped not by any one religion but by an instinct that is hardwired into the brain In this remarkable book Chopra takes us step by step from the first stage where the brain's fight or flight response leads us to a God who is an all powerful and sometimes unpredictable parent to the seventh stage where the brain experiences God as pure being beyond thought a sacred presence It is at this seventh stage that we attain a true life changing spiritual understanding of the world and our place in it it is the level at which saints and sages dwell All seven stages are available to each of us all the time Deepak Chopra explores mysticism religious ecstasy genius telepathy multiple personality and clairvoyance drawing insights from psychology neurology and physics as well as from the great religions The result is vintage Chopra applied to the ultimate quest
