UNIVERSITY OF COLORADO HEALTH

4/20/2015

Megan Hellrung  
12605 E. 16<sup>th</sup> Ave.  
Aurora, CO 80045  
AIP OR

To whom it may concern,

I would like to recommend Megan Hellrung for her Level III certification. Megan has been on staff in the AIP OR for two years and within those two years she has grown in her role as a Level II nurse and has taken on leadership roles to help improve our unit. She is a knowledgeable member of our Spine Team and has played a vital role in the orientation of new staff to this specialized team. She often floats to other OR specialties and displays role model work standards in her ability to think ahead, plan and implement care for complex patients. She often finds herself in the preceptor role on specialty services that are not her home service, and does a wonderful job guiding staff in what they need to know. She is always seeking information for what she does not know, and strives to provide safe, top notch patient care. She has routinely been sought out by newer staff as someone to go to for information, help and encouragement.

Megan took her role in precepting for both the scrub role as well as the nurse role to the next level by identifying the need for standardization within our preceptor roles in the OR. After an enormous amount of work and effort on her part, our unit now has an official Preceptor Council, of which she sits as co-chair, as well as a specialized preceptor class geared towards the unique needs and dynamic environment of the OR. Because of her efforts our preceptors are now better equipped to educate and guide new staff through the orientation process.

Thank you for your time and consideration,

Jennifer Ward RN, BSN  
Urology & Gynecology Service Specialist  
AIP Operating Room  
720-848-3668  
12605 E. 16<sup>th</sup> Ave.  
Aurora, CO 80045

**USAF Formal Schools** United States. Dept. of the Air Force, 1987 [A Preceptorship Model for Nurses in Rural Health Care Facilities](#) Marilyn Enid Pottinger, Brandon University. Rural Development Institute, 1994 This report describes a preceptorship model that provides student nurses with clinical practice in rural health facilities The development and implementation of a preceptorship model reflects a partnership between nursing education and nursing service between the urban nursing school and the rural hospital A five stage preceptorship model is presented that includes development of guidelines selection of participants orientation of participants implementation and evaluation The model draws on a literature review plus feedback from nurse preceptors and graduating nursing students The model emphasizes the importance of clearly stated purposes and objectives guidelines outlining the roles and responsibilities of the student the preceptor and the faculty liaison and careful selection and preparation of all participants In spring 1992 24 students completed their senior practicums in rural hospitals using the preceptorship model all were satisfied with the experience met their clinical objectives and completed their learning contracts Evaluations of the model by the faculty liaison person preceptors and students resulted in 18 recommendations to improve implementation of the model The strongest preceptor recommendation was that students and preceptors work identical hours with identical patient assignments Contains 53 references Appendices include preceptor questionnaire terminal nursing competencies agreement between nursing school

and health care facility form for assessing potential preceptors and evaluation forms for students and preceptors Author SV
