**Government in Africa** M. Gustavson,2014-01-22 This book gives a comprehensive overview of the literature on development in Sub Saharan Africa and challenges the notions of African public officials presented there It focuses on public audit institutions and offers rich empirical research results which contradicts many assumptions made in the literature on development in Sub Saharan Africa

*Fiscal Choices* Michael M. Atkinson,Haizhen Mou,2024-03-01 The COVID 19 pandemic revealed that governments can quickly respond to a fiscal crisis without becoming mired in unproductive wrangling But the pandemic has also revealed the limits of traditional policy instruments in stabilizing the economy controlling inflation and fostering economic growth Fiscal Choices sheds light on the economic dimensions of COVID 19 and examines the state of Canada's fiscal policy and fiscal health following the pandemic The book covers a cluster of key fiscal policy topics the overall capacity of government the growth of inequalities the management of sovereign debt and the troubled institutions of federalism and parliamentary government The book draws upon candid in depth interviews with over 70 former and current politicians public servants and academic experts who aim to establish a sustainable future within an accountable political system The book argues that although those who are entrusted with the instruments of power are

intelligent and well meaning they are reluctant to take risks or abandon well known if poorly performing formulas It concludes with a set of predictions and prescriptions rooted in a realistic interpretation of Canada s political economy Ultimately Fiscal Choices presents a sober assessment of federalism and parliamentary government as instruments of democratic accountability
