Objectivity In Biblical Interpretation:

Objectivity in Biblical Interpretation Thomas Howe, 2005 Everyone who has ever discussed the Bible has more than likely been faced with the response Everybody has their own interpretation Is every interpretation the result of someone's particular perspective or personal point of view Is there no basis upon which we can discover and hold to a correct interpretation Biblical interpretation is facing a crisis More and more authors are surrendering to the influence of Postmodern relativism This malady is not limited to non evangelicals The pervasiveness of postmodern perspectivism propagated through the notions of Unless evangelicals can articulate and reasonably defend a notion of objectivity that reaches beyond one's own historical context and personal perspective to declare a Gospel that is true and relevant for all people in all cultures in all times Objectivity in Biblical Interpretation analyzes and explains the current crises of objectivity and presents a reasoned defense of objective interpretation that directly confronts the relativistic claims of postmodern relativism Thomas A Howe has been an ordained minister since 1976 and since 1973 has served in both a lay capacity and as minister of youth and pastor in local churches in Georgia and Florida In 1993 Thomas joined the faculty of the newly formed Southern Evangelical Seminary Thomas has had the responsibility of teaching all levels of Greek and Hebrew Introduction to Hermeneutics Advanced Hermeneutics Philosophy of Hermeneutics Introduction to Logic History of Western Philosophy Thomas Howe has co authored two books with Dr Norman Geisler Gambling A Bad Bet published by Fleming H Revell Company in 1990 and When Critics Ask published by Baker Book House in 1992 In 1991 Thomas received the National School of Biblical Interpretation Thomas a Howe Ph D, 2015-06-05 Biblical interpretation is facing a crisis Is Biblical interpretation the result of someone's particular perspective or personal point of view Is there no basis upon which we can discover and hold to a correct interpretation More and more authors are surrendering to the influence of Postmodern relativism This malady is not limited to non evangelicals The pervasiveness of a Postmodern perspectivism propagated through the notions of presuppositions preunderstanding world views horizon paradigms historicism and a host of other approaches that are often confusing to a committed Christian who simply wants to understand God's Word Objectivity in Biblical Interpretation analyzes and explains the current crisis of objectivity and presents a reasoned defense of objective interpretation that directly confronts the relativistic claims of Postmodern relativism

Objectivity in Hermeneutics Thomas A. Howe, 1998 Pretensions of Objectivity Jeffrey L. Morrow, 2019-03-08 Modern historical biblical criticism while having many strengths often operates under the pretensions of objectivity as if such scholarship were neutral and disinterested Examining the history and roots of modern biblical scholarship shows that such objectivity is elusive and was never intended by the method's earliest practitioners Building upon his earlier work in Three Skeptics and the Bible and Theology Politics and Exegesis Morrow continues this historical investigation into the political and philosophical roots of modern biblical criticism in Pretensions of Objectivity in the hope of developing a criticism of biblical

criticism and of making space for theological exegesis **Objectivity in Hermeneutics** Thomas A. Howe,1998

Biblical Interpretation Edwin Cyril Blackman,1957 **Faith and Objectivity** C.D. Hardwick,1972-07-31 In the last decade too many American theologians have been preoccupied with charting and interpreting in a superficial manner the movements of the newest stars in the Continental theological firmament This preoccupation contributed much unfortunately to that faddism that was so characteristic of American theology in the Sixties the period immediately following the passing of a generation of theological giants like Barth Bultmann Tillich Gogarten and the Niebuhrs There has seldom been a period in which so many promissory notes were issued so carelessly onto the intellectual market notes that were not and perhaps could not have been redeemed Given this temper of the times it is difficult to account for the almost total neglect of the work of Professor Fritz Buri of Basel whose theology of existence is one of the most interesting and impressive contemporary attempts to interpret the myths and symbols of the Christian faith in terms of an existentialist philosophy Even if one were to apply that most superficial though for many apparently decisive criterion of radicality one might have expected his work to attract some sustained attention because Buri has consistently posed a radical solution to most of the hotly debated issues of the times the problem of demythologization the meaning of theological language the problems raised by historical criticism and the meaning of the historical Jesus for faith to mention a few The Psychology of Biblical Interpretation Cedric B.
