How do I stay safe on Snapchat?

Snapchat is a place to connect and communicate with friends and loved ones, but it's important to know how to stay safe. We recommend checking out our [Safety Center](#) to learn more about Our Policies, Our Team, and information for Parents and Educators. Keep in mind, Snapchat is for ages 13+.

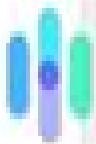

We also offer in-app support for Snapchatters who may be experiencing a mental health or emotional crisis, or who may be curious to learn more about these issues and how they can help friends dealing with them. Our new [Here For You](#) feature shows safety resources developed with experts when Snapchatters search for certain topics, including those related to anxiety, depression, stress, grief, suicidal thoughts, and bullying.

Here are some tips to stay safe on Snapchat:

Never share your password with anyone – not even us! A Snapchat representative will never ask you for your password. We don't need it to help you.
