Garrick's increasingly confusing signals start making sense and soon discovers he's bitten off more than he can chew. Sex with strangers is simple. Sex with his best friend Complicated. End Game. Garrick LeBlanc never intended to fall in love with two people but he has and now he has to figure out what to do about it. He wants to make them happy but is afraid he's doing just the opposite. To make matters worse he's trapped in New Brunswick until the end of the hockey season while his lovers are both in Boston. Savannah Morrison has no one but herself to blame for practically shoving Garrick into the arms of another man. She loves Garrick with all her heart but how the hell is she going to share him with Rhian? Rhian Savage used to have such a simple life. Now he's in love his dreams of making the NHL are coming true and he keeps spotting a strangely familiar face in the crowds. To top it all off he has to see Savannah every day. He knows she's Garrick's real future but he doesn't have the balls to do the right thing for all of them and break it off with Garrick until his life goes sideways. As usual Now Rhian is alone. Garrick is heartbroken and Savannah the one person Rhian figured would celebrate his departure is beating down his door. What the hell is up with that? A Merry Little Hat Trick Christmas. Something is bothering Rhian and his friends and family want to know what that is. Garrick and Savannah are trying to give him some space to come to them about it. His teammates are convinced that nights out and beautiful women making eyes at him will make it better. And his grandfather and sister just want him to know that he is loved. Rhian Savage does know he's loved. He just wishes everyone else knew it too.

The Politics Guy Campaign Tips: How to Win a Local Election Vic Berardelli, 2010-11-24. The best candidate doesn't always win an election but the best campaign does. Winning an election at the local level doesn't involve ideology or issues. It is won by the personality and hard work of the candidate meeting people directly and chatting with them in ways which don't convey the traditional politician. The Politics Guy Campaign Tips: How to Win a Local Election is must reading for any candidate or campaign manager for local offices like State Legislature City Council School Board or County Commission. This book does not discuss views or political philosophy. This book discusses the daily street level effort to win a local election. The techniques can be used by Republicans Democrats or independents.
