Analyzing Tesla. Their Business Model and Omni-Channel Strategy Philipp Rothe, 2023-05-25 Academic Paper from the year 2023 in the subject Business economics General grade 1-3 Boston University language English abstract This Paper analyzes the business model of Tesla and their Omni Channel Strategy Tesla Inc is an American electric vehicle and energy company founded by a group of engineers on July 1 2003 with the vision to accelerate the global transition to sustainable energy Its largest business is the sale of electric vehicles which makes up to 86% of the company's total revenue While the CEO Elon Musk drives the innovative character of the company this innovative mind set and the passion for new technologies is also responsible for Tesla's omnichannel strategy which offers customers a unique experience they get from no other car manufacturer Tesla's omnichannel approach can be described as an integrated approach to give customers the best possible

experience across multiple channels when they interact with the brand Although a central aspect of the omnichannel strategy is the interplay between the online and offline buying experience Tesla s omnichannel approach is not limited to that While Tesla has both car showrooms and an online store where you can buy their cars Tesla uses many more channels to interact with the customer Examples are social media the car itself where you can buy updates like the autopilot or the smartphone app which can be used to unlock the car Because other car manufacturers catch up with Tesla our recommendations include but are not limited to stick with Elon Musk as the CEO and be open to new ideas and experiments he suggests move on to new business opportunities connected to renewable energies or further improve the customer experience by making more use of available data

**Ludicrous** Edward Niedermeyer,2019-08-20 Tesla is the most exciting car company in a generation but can it live up to the hype Tesla Motors

and CEO Elon Musk have become household names shaking up the staid auto industry by creating a set of innovative electric vehicles that have wowed the marketplace and defied conventional wisdom. The company's market valuation now rivals that of long established automakers and to many industry observers Tesla is defining the future of the industry. But behind the hype Tesla has some serious deficiencies that raise questions about its sky high valuation and even its ultimate survival. Tesla's commitment to innovation has led it to reject the careful zero defects approach of other car manufacturers even as it struggles to mass produce cars reliably and with minimal defects. While most car manufacturers struggle with the razor thin margins of mid priced sedans Tesla's strategy requires that the Model 3 finally bring it to profitability even as the high priced Roadster and Model S both lost money. And Tesla's approach of continually focusing on the future even as commitments and deadlines are repeatedly missed may ultimately test the patience of all but its most devoted fans. In Ludicrous journalist and auto industry analyst Edward Niedermeyer lays bare the disconnect between the popular perception of Tesla and the day to day realities of the company and the cars it produces. Blending original reporting and never before published insider accounts with savvy industry analysis Niedermeyer tells the story of Tesla as it's never been told before with clear eyes objectivity and insight.

**Private Practice MBA** Jeremy Pyle, Robbie Poe, 2023-03-21 A step by step road map for creating the business that you your staff and your patients deserve. Let's get real. Should you read this book? Here's the thing. Most physicians aren't looking for something new. Most of us are pretty set in our ways and we're taught from day one to be fearful of running our own practices. But what if you didn't have to do it alone? What if you knew how to run a thriving practice that didn't run your life into the ground? What if there was a step by step system that you felt confident implementing yourself? That's exactly what you'll find within the pages of this book. And if that's the kind of thing you've been looking for then let's get started together.

*From Impressed to Obsessed: 12 Principles for Turning Customers and Employees into Lifelong Fans* Jon Picoult, 2021-10-12 If you're aspiring to satisfy your customers then you're aspiring to mediocrity. That's the fascinating premise of *From Impressed to Obsessed* a book that will fundamentally change how you think about creating a successful beloved business. Acclaimed customer experience expert Jon Picoult explains why building customer loyalty requires leaving indelible positive impressions on everyone you work with not just shaping their experiences but also shaping their memories. Picoult explores the cognitive science behind great customer experiences pinpointing the breakthrough psychology based

strategies that both industry leaders like Apple Disney and Southwest Airlines as well as fast growing startups like BILT and Framebridge use to shape people's perceptions and sculpt unforgettable impressions thereby turning more sales prospects into customers and more customers into obsessed brand ambassadors Packed with intriguing case studies engaging stories and eye opening research the book details these proven principles and illustrates how they can be applied to almost any type of business or customer Examples include cases that show how to Create Peaks Avoid Valleys leverage the science of memory to etch positive impressions in people's minds by creating greater experiential peaks and fewer experiential valleys Give the Perception of Control the almost magical power of giving customers a sense of agency via choice and expectation setting causing them to feel better about the experience a business is already delivering Make It Effortless make interactions easy for customers not just from a physical perspective but also a cognitive one to satisfy today's demand for simplicity and convenience Stir Emotion harness the power of emotion as a memory cue by infusing customer experiences with emotional resonance highlighting positive feelings while stemming negative ones No matter what kind of constituency you serve customers or colleagues individuals or institutions employees or employment candidates this book will help you do it with distinction Picoult's message is particularly relevant for managers as he shows the parallels between how great companies cultivate engagement with customers and how great leaders accomplish the same with their workforce From Impressed to Obsessed reveals the what the why and most importantly the how behind great customer experiences Filled with actionable insights the book provides an invaluable roadmap for becoming the company that everyone wants to do business with the employer everyone wants to work for and the leader everyone wants to follow
