

## ***Mouthful of Forever***

Clementine von Radics

1/2

I am not the first person you loved.  
You are not the first person I looked at  
with a mouthful of forever. We  
have both known loss like the sharp edges  
of a knife. We have both lived with lips  
more scar tissue than skin. Our love came  
unannounced in the middle of the night.  
Our love came when we'd given up  
on asking love to come. I think  
that has to be part  
of its miracle.  
This is how we heal.  
I will kiss you like forgiveness. You  
will hold me like I'm hope. Our arms  
will bandage and we will press promises  
between us like flowers in a book.  
I will write sonnets to the salt of sweat  
on your skin. I will write novels to the scar  
of your nose. I will write a dictionary  
of all the words I have used trying  
to describe the way it feels to have finally,  
finally found you.
