On Mr. Spencer's Data of Ethics Malcolm Guthrie,2015-06-13 Excerpt from *On Mr Spencer s Data of Ethics* This volume completes the critical examination of Mr Spencer s system of Philosophy already pursued through two previous volumes entitled respectively *On Mr Spencer s Formula of Evolution* and *On Mr Spencer s Unification of Knowledge* The entire task has been undertaken by a student for the use of students It cannot be of much use to the general reader as it presumes and indeed requires a very intimate knowledge of Mr Spencer s works For those who do not wish to enter into detailed examination perhaps Chapter I of the *Unification of Knowledge* will afford a good epitome of the line of criticism and this may be followed if desired by a perusal of the *Formula of Evolution* About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
