Paul A. Herd,1995 **GM Parts Interchange Manual 1950-1965** F. D. Harper,2011-12-28 This parts interchange manual
has been designed to help in the purchase and identification of original equipment parts It will save many hours of time
locating the parts needed This manual will show exactly what parts from which vehicles are identical There may be no need
to pay a high price for a supposedly rare part when it may be identical to many other vehicles parts Many parts interchange
between different years makes and models For example a part from a 53 Pontiac may be the same as for a 55 Cadillac or a
part from a 65 Chevy Impala may be the same as a part for 64 Buick This manual is a great reference source for a restoration
project It includes a model identification chart engine identification information serial number charts original factory part
numbers for certain parts it includes casting numbers and more The manual is broken down by the major groups listed below
and each of these groups is further broken down into specific parts For example under the body group it lists everything from
bumpers to window regulators Below are the groups and a sample of what is included in each group Axel groupShafts
