## Muhammad Critical Lives:

**Critical Lives: Muhammad** Yahiya Emerick,2002-04-01 Muhammad was a religious visionary and political leader Raised in the harsh Arabian Peninsula and orphaned while still a child this unlikely leader and military genius received a calling to transform his society from a collection of raiding tribes into one of the world s most progressive societies His message of monotheism and righteousness motivated an entire people to abandon idolatry and spread the word of God to surrounding nations Although he was a military genius his greatest accomplishments came from the religion he preached Islam which called its adherents to lead a life of prayer charity and contemplation The second largest religion in the world both Islam s prophet and its values are today often misunderstood by adherents and outsiders alike This concise informative biography explores Muhammad s background and boyhood as well as the culture and society in which he lived A look at Muhammad as a family man and how his personal life was a testament to his high regard for women Muhammad s mission as a prophet and his new religion s philosophy on topics ranging from monotheism to interfaith relations The Qur an and how it was revealed how Muslims view it in their religious life and the concept of Jihad from Muhammad s perspective The Critical Lives series takes a biographical look at pivotal fascinating people and a critical look at the work and accomplishments that rightly or wrongly made them unique influential and enduring Discover the events that shaped their lives and how they came to shape our world

**The Life and Work of Muhammad** Yahiya Emerick,2002 Given the current prominence of Islam it has become more important than ever that Westerners and Muslims gain an accurate look at who Muhammad was and what he stood for Provides a fascinating picture of both Muhammad and the world in which he lived Rather than settling in to the comfortable life of a merchant Muhammad had a vision of himself bringing the message of the one God to his idolatrous people Coverage includes the claim to prophethood Muhammad s teachings and his first converts the Muslim flight to Medina Muhammad s battles and the eventual bloodless Muslim conquest of Mecca Muhammad s political victory in the Arabian peninsula and wars with Byzantium and Persia the death of Muhammad and the ways in which his message lived beyond him and Muhammad s place in history his role in Muslim theology and cosmology the ways he is viewed in different Muslim sects and regions and the influence of Muhammad today in Islamic movements both peaceful and fundamentalist
