Nypd A Routine Dead On Arrival:

Fairness and Crime Mark S. Davis, 2024-03-12 Criminology the discipline that informs our understanding of crime and justice is facing an identity crisis Long dominated by sociology's view of crime and its causes criminology has recently witnessed the rise of a new cadre of academics who feel free to explore other explanations Fairness and Crime A Theory offers a comprehensive new perspective on criminal behavior that will reinvigorate the field and help us understand why we consider some acts criminal as well as why and how society should respond to those acts In this book Mark S Davis connects the challenges of understanding crime and administering justice to common norms that guide behavior in everyday life He contends that the exchanges society defines as criminal work basically the way all other exchanges and when offenders rob banks bilk investors or fabricate scientific data they engage in a violation of fairness norms Davis offers a theory that is informed by insights from game theory research anthropology law industrial organizational psychology personality social psychology and sociology He utilizes examples drawn from everyday life to illustrate the theory's concepts in detail Fairness and Crime A Theory provides a platform from which to explore the purposes of the criminal justice system What are we trying to accomplish when we prosecute criminal suspects While one answer is that we are trying to vindicate the moral order and deter future offending another is that we are attempting to restore equity for victims caused by offenders exploitative or retaliatory behavior Davis contends that addressing unfairness is what the criminal justice system should be about In rehabilitation we should be trying to inculcate fairness norms where they are absent or where they have been compromised

Billionaire's Regret Finding Her Willi Huma, 2025-09-28 Five years ago a devastating fire took her loved ones and burned away her past Now she returns with her twin children no longer powerless but a secret venture capital mogul and world class designer ready to strike back humiliate her enemies protect her children and reclaim everything that was stolen from her By a twist of fate she becomes the bride of Sebastian Vanderbilt He is the most cold and domineering man in the entire empire never getting close to women but an accident bound him to her in marriage During the day he's cold and irritable but at night he holds her tightly backing her into a corner with a mix of dominance and tenderness whispering soft demands and kissing her lips as if he wants to engrave her into his very soul Baby tell me you love me For the rest of your life be only mine alright Once a man who looked down on everything now his heart and eyes are filled with only her As secrets unravel hidden heirs and deadly conspiracies threaten everything and in the midst of love revenge and power nothing will ever be the same Book 1 Chapter 1 45

The Killing Fields of East New York Stacy Horn, 2025-01-28 In this groundbreaking work of investigative journalism and true crime Stacy Horn sheds light on how the subprime mortgage scandal of the 1970s and a long history of white collar crime slowly devastated East New York a Brooklyn neighborhood that would come to be known as the Killing Fields On a warm summer evening in 1991 seventeen year old Julia Parker was murdered in the Brooklyn neighborhood of East New York An area known for an exorbitant level of violence and crime East

New York had come to be known as the Killing Fields In the six months after Julia Parker s death 62 more people were murdered in the same area In the early 1990s murder rates in the neighborhood climbed to the highest in NYPD history East New York was dying But how did this once thriving diverse family neighborhood fall into such ruin The answer can be found two decades earlier In response to redlining and discriminatory housing practices the Johnson administration passed the Housing and Urban Development Act in 1968 The Federal Housing Authority aimed to use this piece of legislation to help low income families of color finally achieve homeownership But they could never have predicted how banks lenders realtors and corrupt FHA officials themselves would use the newly passed law to make victims of the very people they were supposed to help and the devastation they would leave in their wake A compulsively readable hybrid of true crime and investigative journalism *The Killing Fields of East New York* reveals how white collar crime reduced a prospering neighborhood to abandoned buildings and empty lots Following the dual threads of the hunt for the network of criminals behind the first subprime mortgage scandal and the ensuing downfall of East New York Stacy Horn weaves a compelling narrative of government failure a desperate community and ultimately the largest series of mortgage fraud prosecutions in American history *The Killing Fields of East New York* deftly demonstrates how different types of crime are profoundly entangled and how the crimes committed in nice suits and corner offices are just as destructive as those committed on the street *New York Magazine* ,1996-11-18 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea James Zadroga 9/11 Health and Compensation Act of 2009 United States.
