**O Wow** Jenny Block,2015-08-11 What is an ultimate orgasm An ultimate orgasm is your personal best orgasm It doesn't leave anything at the table It doesn't want anything more It lasts as long as it lasts It takes as long as it takes It's as messy and loud or quiet and tidy as you like It has no room for shame or apology An ultimate orgasm comes from questioning exploring experimenting with no concern for how society or religion or anything else defines sex or female orgasm The ultimate orgasm belongs to you and only you and it is your responsibility to find it to have it and to keep it for as long as you want to live a fully sexually satisfying life Want to know the secret to having the ultimate orgasm Knowing your body and being in the zone That's it Lots of tips and tricks and ideas follow later in the book But first and foremost we have to empower ourselves to pleasure No matter how much your partner is committed to your orgasm you are the only one who can and should be responsible for your orgasm There's no judgment No right or wrong way No bad orgasms [Slut-Shaming, Whorephobia, and the Unfinished Sexual Revolution](#) Meredith Ralston,2021-06-16 The sexual revolution is unfinished A sexual double standard between men and women still exists and society continues to punish bad girls and reward good ones Until we eliminate good girl privilege and bad girl stigma women will not be fully free to embrace their sexuality In [Slut Shaming Whorephobia and the Unfinished Sexual Revolution](#) Meredith Ralston looks at the common denominators between the MeToo movement the myths of rape culture and the pleasure gap between men and women to reveal the ways that sexually liberated women threaten the patriarchy Weaving in history pop culture philosophy interviews with sex workers and personal anecdotes Ralston shows how women cannot achieve sexual equality until the sexual double standard and good girl bad girl binary are eliminated and women viewed by society as whores are destigmatized Illustrating how women's sexuality is policed by both men and women she argues that women must be allowed the same personal autonomy as men the freedom to make sexual decisions for themselves to obtain orgasm equality and to insist on their own sexual pleasure Dispelling the myth that all sex workers are victims and all clients are violent [Slut Shaming Whorephobia and the Unfinished Sexual Revolution](#) calls out Western society's hypocrisy about sex and shows how stigma and the marginalization of sex workers harms all women *The Glass Ledge* Iman Oubou,2022-05-10 An Empowering Guide for Curing Self Sabotage and Finding Success by Showing Up as Your Authentic Vulnerable and Powerful Self We've all heard of the glass ceiling referencing the external oppression women still experience in the workplace Yet even for those of us who break through the societal barriers to success there's another bigger danger internalized oppression or metaphorically speaking the glass ledge When the very qualities that help us achieve greatness turn into self-defeating behaviors that's when we trip over the glass ledge teaches Iman Oubou Yet we don't need to lose ourselves to become an ideal image of a hardworking camera-ready woman who's got it all There is a better way to fulfill our dreams one that allows us to be ourselves on our own terms With *The Glass Ledge* Oubou offers a disruptive guide that explores the 10 most common themes around which women tend to derail themselves

including issues around power likability authenticity conflict and more They are organized according to when we are most likely to face them head on as some issues present earlier in our careers while others tend to appear later Each chapter focuses on one of these nuanced themes incorporating counterintuitive and eye opening information including Anecdotes from Oubou s personal journey from beauty pageant queen to medical missionary and scientist to entrepreneur Stories from other high profile successful women in a variety of industries Academic and scientific research Lessons and tips to overcome negative self perception and avoid slipping off the ledge while working our way toward our own definition of success Exercises that will help us turn the teachings into self reflections and ultimately actionable next steps While societal norms around gender dynamics have shifted there s still a long way to go Each of us has the power to rewrite the scripts that will determine how we think and behave and succeed The Glass Ledge is a practical and inspired call for any woman who wants to rewrite the narrative of her success and pay her efforts forward into the world **The Relationship Fix** Jenn
