Academy Awards Oscar Annual Robert A. Osborne, 1974 *Clint Eastwood* John H. Foote, 2008-12-30 Now a two time Academy Award winner for best director twice winner of the Directors Guild of America Award for best director and recipient of countless other critics prizes and nominations in multiple capacities Clint Eastwood stands alongside Martin Scorsese and Steven Spielberg as one of the finest directors working in modern cinema Here John Foote examines the long impressive and unlikely film career of a man who fought against expectations to forge his own way and become one of this generation s finest filmmakers Each chapter examines a different film beginning with *Play Misty for Me* 1971 and *High Plains Drifter* 1973 and extending to his 21st century films *Space Cowboys* 2000 *Blood Work* 2002 *Mystic River* 2003 *Million Dollar Baby* 2004 *Flags of Our Fathers* 2006 *Letters from Iwo Jima* 2006 and *Changeling* 2008 This book is in the author s own words a study of how Eastwood managed to quietly get to this level and a celebration of his gifts as an artist Eastwood has evolved not only as a director but also as an actor a screenwriter a producer and a score composer to become one of the most revered figures in Hollywood Perhaps it is because he started out in Hollywood with such little influence on the final product that he now demonstrates such a strong desire to collaborate with others and provide help wherever he can In addition to casting off his reputation as a hack and accumulating two Oscar nominations for Best Actor over the past 15 years he has guided other actors to no less than three Academy Award wins The executives love him because he has made them money over the years occasionally even making one for them in exchange for financial backing on other projects Critics love him because of the care he takes in creating his films Audiences love him because he has never lost his sense of entertainment even as his artistry has matured
