Gerrit Heinemann,Christian Gaiser,2014-11-20 In the future shopping will be greatly influenced by a combination of localization

issues mobile internet at the point of sale and use of social networks This book focuses on the SoLoMo synergies that arise

from this paradigm shift in future shopping which also promises new and effective marketing options for traditional retailers

It also reflects the current status of research and business practice analyzing the basic factors of SoLoMo in detail The

importance of Location based Services LBS is elaborated and analyzed in an empirical study using a market based case of

kaufDA a leading German online shopping network The evidence shows that customers see LBS as an attractive tool and are

prepared to change their buying behavior Though LBS is still in its early stages and its professional longevity remains to be

seen it also promises tremendous potential for the future
