*NASA SP.*, 1981 The Pain Brokers Elizabeth Chamblee Burch, 2026-01-13 Selling the Dream meets Empire of Pain in this shocking never told before story of three women caught in a web of telemarketing scammers shady doctors and profit hungry lawyers who turned fears surrounding a faulty medical device affecting millions of women into a goldmine For decades late night television has blared a familiar refrain If you or a loved one has been injured by X product But behind those ads lies a lesser known world where elaborate scams revictimize the injured Why else would thousands of women with health insurance take out loans with astronomical interest rates and fly to south Florida to have their pelvic mesh surgically removed at a chiropractor's clinic The Pain Brokers by law professor Elizabeth Burch is a damning investigation of a scheme made possible by a medical and legal complex that too often views women's bodies as cash machines and fails to take their pain seriously As Burch unfurls each level to the scheme we meet an enthralling cast of characters from a world class scam artist who reaped tens of millions of dollars at a south Florida call center to the ultimate white shoe power lawyer who defended Big Pharma but became an unlikely hero to a newly minted small town Arkansas attorney who advocated for the unseen and unheard But at the center are three women Jerri Barb and Sharon whose lives

were upended by the very procedure they were told would save them A page turning urgently necessary work of public service journalism The Pain Brokers is not only a chilling expos of a legal system gone awry but a wake up call to the ways in which it harms those it is meant to help      **Aeronautical Engineering** ,1981 A selection of annotated references to unclassified reports and journal articles that were introduced into the NASA scientific and technical information system and announced in Scientific and technical aerospace reports STAR and International aerospace abstracts IAA
