Trends in the Price of Farm Real Estate in Central Wellington County (Ontario) Since 1836 Edward C. Gray, Barry E. Prentice, Ontario Agricultural College. School of Agricultural Economics and Extension Education, 1982. Extract: This study presents a brief history and analysis of the trends in the farm real estate market of central Wellington County, Ontario, since early settlement days. It develops a series of annual market prices from 1853 on through the collection of sales data from land registry offices of farmland transferred at arm's length. To the extent that an annual price is the mean of 25 sales, on average, price is a reflection of acreage, tillable area, and improvement differences among farm properties sold in that year. It is thus a price representative of the locale, the organization, and the state of development of farming at the time and the willing buyer-willing seller condition.

**Ecosystems** Monica Leonelle, 2025-10-25. Are you tired of following marketing advice that feels completely wrong for how you work? Wondering why strategies that work brilliantly for other authors leave you drained and frustrated? The problem isn't your effort; it's that you're trying to build someone else's business instead of your own. *Author Ecosystems* reveals the six distinct creative archetypes that determine how you naturally write, connect with readers, and build sustainable success. This isn't another one-size-fits-all marketing system; it's a personalized roadmap based on your unique creative energy patterns. Are you a precision-focused visionary who thrives on speed and strategic optimization like the Desert? A systematic builder who creates comprehensive interconnected creative worlds like the Grassland? A cultural moment creator who generates explosive impact through strategic timing like the Tundra? A relationship-focused author who builds loyal communities through consistent authenticity like the Taiga? A healing-centered storyteller who creates deep emotional connection and transformation like the Forest? Or an immersive experience creator who builds devoted fandoms and cultural movements like the Aquatic? What You'll Learn: How to identify your core archetype and leverage your natural creative strengths. Publishing paths: traditional, hybrid, indie that align with your energy instead of draining it. Audience growth strategies designed specifically for how your type connects with readers. Creative production methods that work with your natural rhythm, not against it. Email marketing approaches that feel authentic to your archetype. Sustainable paths to six-figure success without burning out or compromising your creative vision. Whether you're just starting your writing career or you're an established author ready to work smarter instead of harder, this book provides the framework to build success on your terms. Stop trying to force yourself into marketing strategies that weren't designed for you. Start building the writing career that actually fits who you are. *Author Ecosystems* was co-created by Monica Leonelle and Russell Nohelty, but this comprehensive guide represents Monica's complete vision for the system, including the newly discovered sixth archetype, the Taiga, based on 2024 industry data. Your creative DNA isn't a limitation; it's your competitive advantage. Perfect for aspiring, beginning, and

intermediate authors building their first sustainable writing business as well as established authors ready to align their strategy with their authentic creative process      **PRICAI 2021: Trends in Artificial Intelligence** Duc Nghia
